000000000000

MOVING? Please use new inside  
paper and give full information. Mail  
log list is run on Friday for following  
week.

In recent years the idea that  
Americans in all lines of business were  
smarter and more efficient than  
anybody else in the whole world has  
been shaken to its very foundations.  
Look at steel, autos, shoes, fabrics,  
clothing... you name it, whether it was  
manufacturing, agriculture, mining, oil  
or whatever, developing and already  
developed countries have been giving  
us fits.  
Those American enterprises that are  
beating the foreigners to the punch are  
numerous and a lot of our old line enter-  
prises are changing their act to fit to-  
day's needs and to beat the competition.  
Having been associated with the  
livestock business since all of our adult life it  
has been an increasingly painful obser-  
vation for us to watch our livestock

Ed Friesmeyer of Austin, Texas ex-  
hibited the grand champion steer at  
the 1986 Southwest Exposition and  
Fat Stock Show in Fort Worth. His  
steer, Panama, was sired by the  
Chilina bull Sugar Ray and was bred  
by Bobby May of Mineral Point,  
Wisconsin. The 1,245 lb. steer sold in  
the Premium Auction on Saturday,  
February 1 for \$30,000 to Majestic Li-  
quor Stores, owned by Tom and  
James Leggett and John McMillan of  
Coors Distributing Company.

### Lying Gets Nod To Head USDA

Richard Lyng, a former Agriculture  
Department deputy secretary with  
longtime ties to the Reagan administra-  
tion, Wednesday was named secretary  
of agriculture by President Reagan.  
Lyng, 67, who served as director of  
California's agriculture agency during  
(CONT. ON PAGE 7A)

### USDA Officials Say No Decisions Made On Budget Cuts

Washington, (KRP) — USDA budget  
officials told the House Agriculture  
Committee they had not yet decided  
how to implement necessary cuts under  
the Gramm-Rudman balanced budget  
act, but loan payments will be cut.  
Stephen Dewhurst, USDA budget  
director, said he hoped USDA would  
reach a "resolution of all the issues in  
the next very few days." He said cuts in  
USDA programs would have to be  
made on "good faith throughout the  
(CONT. ON PAGE 28A)

### Fed Cattle Lower, Hogs Mostly Easier At Markets Monday

Market supplies of slaughter cattle  
were about level with last Monday and  
the receipts of hogs were about 3,000  
larger than a week ago. Fed cattle  
prices were lower by mostly 50c to \$1,  
except those referring to last Monday,  
which were \$2 to \$3 off. Slaughter cows  
were uneven at these markets, and bulls  
were largely steady. Monday's  
estimated cattle kill at 121,000 was  
11,000 below a week ago and 2,000 over  
a year earlier.  
Hog prices were rather mixed a couple  
of points reporting better rates and the  
majority were weak to unevenly lower.  
Price trends, questions on choices and  
prime steers and hogs and the mixed  
good to choice grades and on good to  
choice Holstein steers and on U.S. 1-3  
hogs, scaling mostly 200 to 280 pounds  
included.

Feb. 27; George Strait, Friday, Feb. 28;  
Ronnie Milsap, Saturday, March 1,  
matinee performance only; Barbara  
Mandrell, Saturday, March 1, evening  
performance only; George Jones and  
Gary Morris, Sunday, March 2, matinee  
performance only; and Merle Haggard,  
Sunday, March 2, evening performance  
only.

Mayor Kathy Whitmire presented the  
mayor's proclamation of Go Texan Days.  
The official Go Texan Weekend is kicked  
off Saturday, Feb. 15 with the  
downtown parade.  
Horse show competition begins  
Wednesday, Feb. 12 with the livestock  
show opening on Saturday, Feb. 16 and  
the first rodeo performance scheduled  
for Wednesday, Feb. 19. All evening  
rodeo performances begin at 7:45 p.m.  
with Saturday matinees at 11 a.m. and  
Sunday matinees at 1 p.m.  
Tickets are \$8.50 and \$4 and are  
available at the Houston Livestock Show  
and Rodeo, 10000 North Loop West, Houston,  
Texas 77037. Tickets include admission to  
the rodeo, the "English Breed  
Show," the "Brahman Show," and the  
"Other Breeds and Crossbred Steers."

Three new open cattle shows added  
to 1986's schedule are the Blonde  
d'Aquino, Sale and Simbrah shows  
while the junior breeding better show  
additions include the Red Brangus and  
Maine-Anjou classes. Two new sales,  
scheduled are the Red Poll cattle and  
Sale/Brahman cattle sales.  
Additionally during Texas and  
Houston's Sesquicentennial year, the  
Houston Show will host the American  
International Charolais Association's  
17th national show.  
"The Houston Livestock Show and  
Rodeo, in its efforts to maintain its im-  
age as the showcase of the Americas, is  
constantly looking for new and in-  
novative showing methods. We are  
always willing to talk to represen-  
tatives of new breeds about the pos-  
sible incorporation of their livestock into  
the showing. We're really excited  
about these new additional shows and

(CONT. ON PAGE 28A)

## BARNHART RANCHES

SALERS • BRALERS • HEREFORDS • BRAFORDS

Consigned to the Cattleman's Choice Bralers Sale  
February 17, during the Houston Stock Show

Selling 1/2 embryo interest

### BR Princess 312S6

Halfblood Bralers Female  
Sire: Prince Dam: Hudson's Fancy Lady 312/1  
Birthdate: 7/7/84

One of the greatest young halfblood Bralers females in America. She is sired by Prince who is without a doubt the most popular Salers breeding bull in North America. Prince has created \$376,000 in revenue from semen, certificates and shares in 2 1/2 years. His offspring have consistently been winners in the show ring, performance tests and production sales. The dam, Hudson's Fancy Lady 312/1 is a daughter of the number one Register of Renown cow SW Saddles Fancy Lady 300. She is a half-sister to SW Ms Especial Vernon 357 who was the youngest Brahman female to be named International Grand Champion Female, winning this title at eleven months. BR Princess 312S6's dam, 312/1, is a proven embryo donor producing 40 transferable embryos as a virgin heifer.

BR Princess 312S6 has proven herself in the show ring. At the Gillespie County Fair this heifer won her class, was Junior Champion and Grand Champion in competition against halfbloods, quarterbloods and three-quarterbloods. At the Washington County Fair she stood second in her class to her full sister who won the class and was Grand Champion Female. She is a full sister to Red Baron I, who has been Grand Champion several times and was syndicated for \$25,000 for a 1/2 semen interest.

We are offering for sale a 1/2 embryo interest, no possession and no natural calves. The heifer will be flushed at the Barnhart Ranch Embryo Facilities or at a facility approved by Barnhart. This also includes two pregnant recipients, one from each of her two full sisters, BR Princess 312S2 (to calve early September), and BR Princess 312S3 (to calve in early July). All three sisters will be on display at the show and sale.

Selling 1/2 interest

### BR Prince 18S

Fullblood Salers Bull  
Sire: Prince Dam: Ms Marilyn 33M  
Birthdate: 2/9/84

BR Prince 18S is an outstanding herd bull prospect from our show string. He was first in his class and Reserve Champion Fullblood Salers Bull Calf at the Grand National in San Francisco where he and his full sister, Princess I, won the Produce of Dam award. BR Prince 18S was the Reserve Grand Champion Bull at the Colorado County Fair.

"18S" is a powerful representation of the most dynamic bloodlines in the breed. A son of "Mr. Marston" he will be the first bull to be offered for sale out of this magnificent sire. She has produced 37 transferable eggs, bred her 5 to have a natural calf on first service, A. I., and produced a set of embryo calves that are consistently the same quality throughout. One of her calves, Princess I, was recently named Grand Champion Halfblood Salers Female at The American Royal in Kansas City. Princess I is thought by many of the most highly respected individuals in the beef industry to be one of the greatest females ever produced in the Salers breed. Dr. Brian Ritchie, professor with the Department of Animal Science, Michigan State University, has stated publicly that Princess I is truly a collector's item and comes as close to perfection in the bovine world as any heifer he has ever seen.

BR Prince 18S's sire, Prince, had 1/2 interest sell at the National Western for \$80,000 and has since generated \$375,000 from the sale of semen, certificates and shares. The popularity and earning power of the bull have been tremendous and he has the ability to pass winning traits on to his offspring.

We are offering for sale a 1/2 interest and full possession of the bull.

Selling full interest and possession in this excellent young imported cow!

### Utrera

Imported Fullblood Salers Female  
Sire: Lucky Dam: Louve  
Birthdate: 2/13/83

From the renowned Pessum herd in France, Utrera is the only direct import offered in this sale. Utrera's sire, Lucky, as well as her dam, the Louve cow, are truly great individuals. Her half-sister by Lucky recently sold in the Wirtham dispersal for \$25,000. Utrera has a tremendous amount of milk for a first calf heifer and a great disposition.

She is selling with a November fullblood Salers bull calf at side, sired by the Barnhart Ranches' import herd sire Urgent. This will be the first offspring of Urgent ever offered for sale. We are able to offer this great import female for sale

since she has been an excellent embryo producer as a virgin heifer. She has produced 11 transferable embryos on her first flush and 6 transferable embryos on her second flush. Utrera has two Prince calves in our show string at the present time and has another calf sired by Urgent who will be going into the show barn after weaning.

We are offering for sale full interest and full possession in this import cow and her calf at side. She sells open and ready for transplant. All past embryo records are available upon request.

For more information write or call:

### THE WORK IS DONE.

The moment is now to invest in a breed destined to change America's beef cattle industry... AMERICAN BRALERS.

Several years ago, a few seasoned cattlemen invested over \$10 million to lay the foundation of a breed whose time had come. By combining the superior genetics of the Salers, the great breed winning National Carcass Awards year after year, and the timeless Brahman, the Bralers breed was born.

The American Bralers Association proudly announces the first offering of select Bralers and Salers cattle:

THE CATTLEMAN'S CHOICE BRALERS SALE  
HOUSTON LIVESTOCK SHOW & RODEO  
FEBRUARY 17, 1986 • 7:30 P.M.  
SUPER SALE SALON  
ASTROHALL  
HOUSTON, TEXAS

The consignments have been carefully chosen to allow a cattleman the opportunity to develop a quality purebred Bralers program in one breeding generation.

For further information on consignments, please contact:

THE AMERICAN BRALERS ASSOCIATION or MR. DOUG HOLLAR  
(512) 782-3088 Show & Sale Committee Chairman, (409) 830-0880

Handwritten note: 1/2 interest

### Lyng Gets Nod To Head USDA

(CONT. FROM PAGE 1A)

Reagan's term as governor, was an assistant secretary in USDA in the Nixon administration and was No. 2 man in the Agriculture Department in the Reagan administration until he left last year to open a lobbying company.

In a brief Oval Office ceremony Wednesday, the president praised Lyng's political experience but added that his new appointee was a "working farmer" like the outgoing secretary, John Block, who announced his resignation Jan. 7 effective in mid-February. "I picked one that's been a pretty hard-working farmer most of his life," Reagan said. "Just because he isn't on a tractor right now doesn't mean he isn't a farmer."

On Capitol Hill, where Lyng has a reputation as a skilled administrator and a savvy political insider, legislators said his appointment would face little opposition in Congress. But like Rep. Byron Dorgan, D-D., who labeled Lyng a "chip off the old block," many members also said his appointment signaled that there would be no shift in the administration's goal of pushing more farmers out of government programs and into the private sector.

"I know the selection of Dick Lyng will not change the basic direction of this administration's farm policy," said Rep. E. "Kika" de la Garza, D-Texas. "But... he is an able, knowledgeable and skillful man who will come to his new job with a stockpile of good personal relationships in Washington."

Most observers predict Lyng will need that good will in the coming months. As agriculture secretary, he will have to guide the implementation of a controversial — and expensive — new farm program at a time when U.S. farmers face their worst financial crisis since the Depression.

"The American Farm Bureau Federation 'Applauds' President Ronald Reagan's nomination of Richard Lyng as Secretary of Agriculture," APB President Dean Kleckner said.

The APB, the nation's largest farm organization, looks forward to working with Lyng "as he implements a farm program designed to improve farmers' net income," Kleckner said.

"Dick Lyng has a proven record of managerial ability. He is capable of achieving results while working within the federal bureaucracy," Kleckner said, noting the APB has worked closely with Lyng in the past.

"The USDA secretary is granted a wide array of discretionary powers under the 1985 Farm Act," Kleckner said, adding that "farmers feel fortunate to have a respected man like Dick Lyng working for them in Washington."

A Nebraska entry topped the Brangus Pen Bull Show at the National Western Stock Show in Denver, CO. Windy Acres Brangus, Harrison displayed three sons of Extra Brinks, calving between March 3, 1984 and May 7, 1984 for Championship honors. (Photo courtesy of International Brangus Breeders Association).

1150-1700 lbs. 41.50-46.50. Pregnancy Tested Stock Cows: Few medium and large frame No. 1-2's 380.00-410.00 per head.

Double H Ranch, Lamoni, IA collected reserve champion honors in the National Western Brangus Pen Bull Show in Denver, CO. The bulls calving in September 1984 were sired by Sir Flint III 195 and Jazz of Brinks. Judges for the show were Dr. Bob Kropp, Stillwater, OK and Mike Lettunich, Fayette, ID. (Photo courtesy of International Brangus Breeders Association).

If college costs get much higher, anyone who can afford to go won't need to.

Ray Bros. Brangus of Aloha, Oklahoma were recognized for their accomplishments in animal breeding at a recent Oklahoma Brangus Breeders banquet held in Stillwater, Oklahoma. Dr. Charles McPeak of the Animal Science Department, Oklahoma State University made the presentation. The plaque reads: PRESENTED TO RAY BROTHERS FOR OUTSTANDING RECORD GAIN OF 8.41 POUNDS AVERAGE DAILY GAIN AT OKLAHOMA BEEF INCORPORATED FOR BRANGUS BULL 335/4, TEST ENDING MAY 17, 1985.

# Texas Angus Futurity Sale Avg. \$1,443

A standing room only crowd gathered to attend the 1986 Texas Angus Futurity Show and Sale held during the Southwestern Exposition and Fair Stock Show in Fort Worth, Texas on January 26. Twenty eight lots grossed \$41,880 to average \$1,443.

High selling lot was a consignment of R & J Ranch of Briggs, TX. R & J Bo 2784, an October 1984 daughter of Pine

Drive Big Sky that was earlier selected as the grand champion female in the futurity show, brought a bid of \$3,500 going to Belle Point Angus Ranch of Lavaca, Arkansas.

Premier Angus, Inc. of Cloverdale, Indiana gave a nod of \$3,200 for Hales Miss Bravo Queen, a February 1986 daughter of E & W Bravo. She was a consignment of Richmond Hales of Canyon, Texas. Riverside Farms of Hamilton consigned Revolution Betty 5106 RF, a March 1986 daughter of High Voltage that sold to Belle Point Ranch for \$2,800.

High selling bull in the sale was R A Ray, consigned by JK Angus of Lockney. This January 1986 son of Greenbrae Chairman brought \$2,650 going to Vernon Schmidt of McGregor.

The reserve grand champion bull of the show was consigned by Rolling Oaks Ranch of Burkett, MO. Chairman 43V, a March 1985 son of Greenbrae Chairman, sold to Coley and Mitchell Ranch of Bryson for \$2,600.

Reserve grand champion female of the futurity was consigned by Rolling Oaks Ranch of Burkett. ROR Lass 123T, a November 1984 daughter of Pine Drive

## 39th Annual All-American Angus Breeders' Futurity Scheduled for Aug. 3, 4, and 5 in Louisville, KY

Tom Burke, Chairman of the All-American Angus Breeders' Futurity has announced that the 39th showing of the Angus breed's premier event will be held on August 3, 4, and 5, 1986 at the Kentucky Fair and Exposition Center in Louisville, Kentucky.

The All-American Futurity features the industry-standard Futurity show classification, cow/calf divisions for both natural and embryo calves, and the only under competition in the Angus breed. A special added attraction will be the Sixth National Embryo Auction, which has become an All-American Futurity tradition. The 1986 All-American Futurity will feature over \$40,000 in cash premiums, ribbons, trophies, and banners.

Nomination and entry forms are available by contacting The American Angus Breeders' Futurity, Joe Bill Meng, Manager, 1163 Meng Road, Bowling Green, Kentucky 42101. Telephone 502/829-3421 or 509/829-0034.

# Is there any future in feeding elephants?

Check your feedlot profits. If they don't look as big at market time as when you put those elephant-sized cattle on feed, maybe it's time for a change. To Angus.

Unplanned breeding with a variety of exotic breeds has created far too many mongrelized commercial cows. Feeder cattle from these herds have little predictability or uniformity. What's more, size has little to do with improved profits. Fact is, it can lower them.

What counts in the feedlot is predictable, bred-in performance and uniformity. And

whether you're a rancher or feedlot operator, you know there's more profit in cattle bred to grow fast and efficiently—that will grade USDA Choice with yield grade 3 or better at the ideal slaughter weights of 1,050 to 1,200 pounds.

That's what you get with Angus or Angus-cross: feeder cattle sired by top quality, performance-tested Angus bulls.

So if you're not getting the predictably high performance—and profits—you need, maybe it's time to change your program to Angus-sired cattle. Angus...The Business Breed.

## Gillmor Re-elected, Leads Woolgrowers

Salt Lake City—Stephen Gillmor, Salt Lake City sheep rancher and former Utah commissioner of agriculture was elected to his second one-year term as President of the National Wool Growers Association (NWGA), which represents over 100,000 sheep producers nationwide. The organization met for its annual convention Jan. 19-23 in San Diego.

Gillmor, owner of the Stephen E. Gillmor Sheep Company, previously served as commissioner of agriculture under Utah Governor Scott Matheson. He served as president of the Utah Wool Growers Association, a director of the American Sheep Producers Council and on numerous other agricultural boards and commissions.

As President, Gillmor is responsible for overseeing all NWGA legislative and educational programs.

Other officers elected were: Robert Geaney of Myrtle Point, OR, vice chairman; Norman Palm, Elk Mountain, WY, secretary; and Gene Bruno, Fountain town, TN, treasurer.

Founded in 1984, the NWGA is the nation's oldest livestock organization. It is headquartered in Salt Lake City.

# Crowning Event To Highlight Annual Brangus Convention

The International Brangus Breeders Association (IBBA) and Brangus Publications, Inc. (BPI) will celebrate the completion of their new headquarters located in San Antonio, TX during the annual IBBA convention in Houston, TX on February 18-21, 1986. The Crowning Event will feature a benefit auction and cocktail reception on February 19, 1986 at 6:00 p.m. in the Emerald Room of the Houston Shamrock Hilton. Proceeds from the event will go toward the funding of the new headquarters. The offering includes embryo flushes from ten of the best available Brangus females culled in 1983 and 1984. Brangus breeders have graciously

donated the flushes which were carefully selected by eight respected and knowledgeable cattlemen. The heifers and donors include: Bar Six Aztec's Lady 26S - Canning Ranches, Russell, NM; CCR Ma Extra Special 198R16 - Fall Creek Ranch, Austin, TX; CCR Ma Lavon 45S12 - Cow Creek Ranch, Mocksville, NC; Castro Extra 7/81 - Travis Lindgren and Castro R Ranch, Lexington, TX; Miss BB Extra 136R6 "La Princesa" - Brinks Brangus, Slaterville, TX; Miss BB Tiny 193S - TK Bar Ranch, Tempe, AZ; Miss CBB Gen Zap-9248 - Circle Bar Ranch, Foxworth, MS; Ma DRR Extra 748/82 - Dorigne Brangus Ranch, Bush, LA; Miss Winnie 30/R2 - Windy Acres Brangus, Harrison, NE; and WSR King's Miss 3112, Granada Brangus, Wheelock, TX. Also available for purchase is a 27.5 carat amethyst pendant, four, one-of-a-

kind collector's shotguns; two original oil paintings by one of the finest photo-realistic painters in the United States, Robert McCoy, one of which is donated by Laidlaw and Judy Brand, Houston, TX; an exquisite hand-carved, 19.28 carat, Australian opal pendant; a full length mink convertible coat; and an Italian designed black fox and viteloni suede jacket. A featured attraction will be the selling of ten granite plaques to be placed in

the walkway leading to the headquarter's entrance. The ten highest bidders will have the opportunity to have their ranch name or logo permanently etched in stone. The plaques will be 12 x 18 inches of granite which endures whatever man and nature offer. For more information on The Crowning Event and the annual IBBA convention, please contact the IBBA, 5750 Epsilon, San Antonio, TX 78249, phone 512/696-8231.

## CHIANINA Section Is the Fourth Week of Each Month

A spider, some say, is not really an insect because all adult insects have six legs, while a spider has eight.

## February 6, 1986 WEEKLY LIVESTOCK REPORTER Page 11A

### Brangus Plan Annual Convention In Houston

Kicking off 1986 for the International Brangus Breeders Association (IBBA) is the 36th annual IBBA Convention and International Show on February 18-21, 1986 in Houston, TX. The Houston Shamrock Hilton will once again serve as the convention headquarters and the prestigious International Brangus Show will be held during the Houston Livestock Show and Rodeo on February 20, at 12:30 p.m.

Activities get under way on Tuesday, February 18 with committee meetings beginning at 12:30 p.m. and running until the evening hours. Wednesday, the 19th, sees more committee meetings followed by seminars beginning at 1:00 p.m. Featured speakers include the world's greatest salesman, Joe Girard; J. David Nichols, Nichols Farms Limited, Bridgewater, IA; and Bill Wilson, general manager of Premier Angus, Cloverdale, IN. An IBBA approved inspectors test will be given at 4:00 p.m. and the evening will conclude with "The Crowning Event" at 6:00 p.m. "The Crowning Event" will include a cocktail reception and benefit auction with proceeds going to the funding of the new IBBA/Brangus Publications, Inc. headquarters.

Beginning Thursday's activities is the IBBA general membership meeting and election of officers at 9:00 a.m. followed by the International Brangus Show at 12:30 p.m. Dr. T. D. "Dusty" Rich of Kansas City, MO is committed to evaluate the line-up of quality Brangus cattle. The Bluebonnet Brangus Breeders Association will host a cocktail reception immediately following the show at the Super Sale Salon with a Brangus sale to follow at 7:30 p.m.

The IBBA Board of Directors will meet on Friday, February 21 to conclude the convention. All activities will be held at the Shamrock Hilton unless otherwise indicated. For additional details on registration information, please contact the IBBA, 5750 Epsilon, San Antonio, TX 78249, phone 512/696-8231. The Shamrock Hilton, 7772, phone 713/688-9211.

Ranch, Rt. 2, Box 35-10, Richards, Texas 77873, 409/851-2402 or Plum Creek Ranch, Rt. 2, Box 69, Buffalo, Texas 75831, 214/389-3447; or the sale management, Pierce Sale Company, Bellville, Texas 409/865-9104.

### Bluebonnet Brangus "Pick Of The Breed" Sale Set February 20

Houston, Texas — The Bluebonnet Brangus Breeders "Pick of the Breed Heifer Sale" will be held Thursday, February 20, 1986. Sale time is 7:30 p.m. in the Super Sale Salon in the Houston Livestock Show and Rodeo.

The sale will be held in conjunction with the International Brangus Show and the 36th Annual IBBA Convention. Selling will be 20 select Brangus females.

A pre-sale party is planned for 6:00 p.m. preceding the sale in the Herd-

smans Room of the Astrohall. Auctioneer will be Ruben Reyes. For information contact the sale manager, Pierce Sale Company, Box 807, Bellville, Texas 77418, 409/865-9104.

### Premier's Wilson Featured At Brangus Convention

"Marketing Cattle with Emphasis on the Show Ring" will be the topic discussed by Bill Wilson of Premier Angus, a division of Granada Corporation, Cloverdale, IN at the upcoming International Brangus Breeders Association (IBBA) annual convention in Houston, TX on February 18-21, 1986. Wilson will present his talk on February 19, 1986 at 1:00 p.m. in the Continental Room of the convention headquarters, The Shamrock Hilton.

As general manager of Premier for the past 15 years, Wilson has developed and managed the Premier herd of cattle. Rightfully addressing this topic, Wilson

recently showed the grand champion bull and heifer at the National Angus Show during the 1985 North American International Livestock Show in Louisville, KY. Additionally, Wilson has shown the grand champion Angus bull for Premier for the past five years at the Houston Livestock Show and Rodeo. He is also credited with judging the All-American Angus Futurity in 1983 and this year was a judge for the National Western Angus Show in Denver, CO.

He has evaluated cattle at numerous state fairs and furlities. For more information, please contact the IBBA, 5750 Epsilon, San Antonio, TX 78249, phone 512/696-8231.

We will never get anywhere with our finances until we pass a law saying that every time we appropriate something we got to pass another bill along with it stating where the money is coming from.

Selling will be 100 mature Brangus cows, mostly 3-4 years old and also 50 select Brangus heifers. Some of the heifers are donor prospects. They are daughters of or are bred to many of the leading Brangus sires.

For more information on the sale of the ranch contact Willow Springs Ranch, Rt. 2, Box 24, Burton, Texas 77835, 409/830-9645 or Larry Gardner, 409/830-1755; or Ash Marketing Service, Box 2049, Brenham, Texas 77833, 409/289-5010 or 409/830-1788.

The editor of the old New York World once ordered a reporter to "Go to New Jersey and visit the town of Hoboken. Come back with a story we can run under the headline: 'Hokus Pokus in Hoboken'."

### World's Greatest Salesman Speaks At Brangus Convention

Dubbed as the world's greatest salesman, Joe Girard will join the International Brangus Breeders Association (IBBA) as the featured seminar speaker during their 36th annual convention in Houston, TX on February 18-21, 1986 at the convention headquarters, The Shamrock Hilton.

The noted motivational speaker and author, Girard has written How to Sell Anything to Anyone, How to Sell Yourself and How to Sell Anything to Anyone (paperback).

Girard's life and career are the American dream come true. Born into poverty, he was a failure for 35 years before he developed a unique selling strategy that made him an outstanding producer and brought him wealth and national acclaim.

In 1977, Girard sold more automobiles and trucks for the 12th consecutive year on a one-to-one basis than anyone else in the world. "All my sales were retail," he states emphatically, "one car at a time." No salesman has ever held both the auto and truck world's title during the same year.

In 1973, Joe sold 1,425 cars and trucks, a world's record which may never be broken. Joe is the only salesman listed in the business section of The Guinness Book of World Records as the world's greatest salesman.

Girard's achievements have been written up in many national magazines and newspapers such as Newsweek, U.S. Magazine, Woman's Day, Successful Living, New York Times, Chicago Tribune, Los Angeles Times and hundreds of newspapers have acclaimed his sales records. Girard has appeared in thousands of programs and news stories on radio and television, and has made personal appearances on such programs as "The Mike Douglas Show," "To Tell the Truth," "What's My Line," "The David Susskind Show" and "Tom Snyder's Tomorrow Show," just to mention a few.

Prior to selling cars, Girard was self-employed as a door-to-door salesman of gloves and quit selling cars. During his selling career, 1906 to 1977, he sold 13,061 cars, all retail. Most of his time is now spent giving sales rallies and is often asked to be a consultant to sales companies. He is also writing books and is now a columnist for a national newspaper syndication.

Girard will address the convention goes on February 19, shortly after 1:00 p.m. in the Continental Room of the Shamrock Hilton. For additional convention information, please contact the IBBA, 6750 Epilim, San Antonio, TX 78249, phone 512/696-8231.

### Brangus Convention Seminar Features J. David Nichols

Selling 400 production tested yearling bulls to commercial cattlemen by private treaty is the basis J. David Nichols of Bridgewater, IA will use when he presents his talk to Brangus breeders from across the nation at the International Brangus Breeders Association (IBBA) annual convention on Wednesday, February 19, 1986 at 1:00 p.m. in the Shamrock Hilton, Houston, TX. The annual convention runs from February 18-21, 1986 and is in conjunction with the Houston Livestock Show and Rodeo.

As a partner in Nichols Farms Limited, the southwest Iowa farm is family owned and operated. The diverse operation includes 3,000 acres of land in which 800 acres is in corn, 350 acres in hay and oats and the remaining is in pasture land. The Nichols' purebred cattle operation consists of registered Angus, Simmental and Salers together totaling over 1,100 head of mother cows. Complete production records have been kept on the Nichols' cattle since 1962.

For additional convention information, please contact the International Brangus Breeders Association, 6750 Epilim, San Antonio, TX 78249, phone 512/696-8231.

Man's work is an extension of himself. It is a revelation of his inner life, both to others and to himself.

# THE INTERNATIONAL EXTRAVAGANZA

...where only the best  
is good enough

Your host, EMI Land & Cattle and Riley Brangus have put together an unprecedented all-donor, donor prospect and show quality heifer offering which will also be an event you will not want to miss. You will be able to choose from among 32 females and six pieces of carefully selected Western Art. The offering will include a variety of popular and proven bloodlines and the individuals were chosen on the assumption that only the best will be good enough for you. Thirty pieces of art will be on display and available for purchase.

**SCHEDULE OF EVENTS**  
All Events At EMI Land and Cattle Equine and Bovine Center, Simonton, Texas.  
Sunday, February 16, 1986  
10:00 a.m.-5:00 p.m.—Preview of Western Art and Brangus cattle.  
Lunch will be served.  
Monday, February 17, 1986  
Noon-4:00 p.m.—Preview of Western Art and Brangus cattle.  
4:00-6:00 p.m.—Cocktails.  
6:00 p.m.—Dinner.  
7:00 p.m.—International Extravaganza.

Floyd Riley and Ed McMaion invite you to be their guest the evening following the Extravaganza as the Houston Livestock Show and Rodeo is throwing a party to celebrate the Texas Sesquicentennial. This sale will be a spectacular tribute to the heritage and history of Texas and Brangus. This sale will include a special concert by Willie Nelson. Each purchase of a lot in the EMI/Riley International Extravaganza will receive four front row tickets to this unique celebration on February 18th at the Astrodome, Houston, Texas.

Monday, February 17, 1986 5:00 p.m. - 7:00 p.m.

# BEEFMASTER BREEDERS UNIVERSAL NEWS

## Cowtown Classic Beefmaster Sale Avg. \$6,147 On 45 Lots

A standing room only crowd gathered to attend the Cowtown Classic Beefmaster Sale held on January 23, 1986 at Barn 0 in conjunction with the Southwestern Exposition and Fat Stock Show in Fort Worth, Texas. Six bulls grossed \$41,500 to average \$6,910, 2 flushes grossed \$24,500 to average \$12,250, 1 donor female grossed \$14,500, 1 five-in-one grossed \$24,500, 9 three-in-ones grossed \$36,000 to average \$4,000, 3 pairs grossed \$18,100 to average \$6,033, 10 bred females grossed \$47,400 to average \$4,740 and 13 open females grossed \$70,100 to average \$5,392. Forty-five lots grossed \$276,600 to average \$6,147.

There were six junior heifers sold, belonging to the junior members, which competed in the first Lone Star Junior Beefmaster Heifer Futurity. These six heifers sold for \$21,700 to average \$3,617.

High selling lot was a January 1981 donor daughter of Robert E. Lee consigned by Victor Boyer. She sold with an August 1984 heifer calf at side by Doncho Joe, a May 1985 bull calf by VSB Bar 1/1 and an August 1985 heifer calf by VSB Bar 1/1. This five-in-one package brought a bid of \$24,000 going to Lee Adair of Corpus Christi, Texas and Timberline Beefmasters of Woodville.

Cedar Crest Farms of Nashville, Tennessee paid \$15,000 for the high selling open heifer, a January 1985 daughter of Ranger Pride consigned by 77 Ranch. Lee Adair consigned a flush from the famous donor female Lee Farms 978, a 1979 daughter of Levi. The guarantee of five pregnancies brought a bid of \$14,500 going to Jim Ketchersid of Arlington.

Lee Roy Jordan consigned one-half interest in a 1979 donor female sired by Dun Dick that sold along with two pregnant recipients. This package sold for \$14,500 going to John Turner of Dallas. Lee Adair of Corpus Christi purchased a 1984 daughter of Pioneer bred to Leroy and consigned by Fred Long for \$12,500.

Sam Knight, Jr. Beefmasters consigned a 1984 daughter of Proud Eagle that sold safe in calf to Snoopy. She sold for \$12,000 going to Cottage Farms of Jackson, Tennessee.

The grand champion of the Lone Star Heifer Futurity was owned by Amber Dodson. This was a yearling daughter of Hapelon 244 that brought a bid of \$6,500 going to Montgomery Properties of Azle, Texas.

Volume buyer in the sale was Cedar Crest Farms of Nashville, Tennessee. The sale was managed by Thompson Cattle Marketing and the auctioneer was Gerald Bowie.

Never hold anyone by the button or the hand in order to be heard out; for if people are unwilling to hear you, you had better hold your tongue than them.

## Triangle T Sets Beefmaster Sale At Lawton, March 14

Lawton, Okla. — The Triangle T Beefmaster Production Sale will be held Friday, March 14, 1986. Sale time is 1:00 p.m. at the Great Plains Coliseum (at the fairgrounds) in Lawton, Oklahoma. Sale day phone is 406/357-1483.

Selling will be 80 lots of Beefmaster cattle. The majority will be three-in-ones and pairs with many carrying the service of Red Chief and Patron Jr. Also

Joe Yarbro of Three Rivers, TX visits with Jim Martin, owner of La Mejor Beefmasters at the La Mejor Production Sale held on December 8, 1985 at the ranch near Madisonville.

Selling will be a few herd sire prospects. Guest consignor is Henry Johnson of Lawton, Oklahoma.

For information contact Sam and Dorothy Turner, Triangle T Beefmasters, Rt. 1, Box 2, Devol, Okla.

Jim Pace, owner of Pace Place Beefmasters at Buffalo, TX, bought one of the high selling lots at the La Mejor Beefmaster Production Sale held at the ranch near Madisonville, TX on December 8, 1985. Also pictured is Tyke Martin, general manager of La Mejor Ranch.

406/299-3352, or the sale management, Reyes, Mihalaki and Menchaca, Box 32828, San Antonio, Tx. 78216, 512/349-2185.

David Brown, owner of Brown Beefmaster near Fort Myers, FL, is seen along with Red Thompson, manager of his ranch, at the La Mejor Production Sale held at the ranch in Madisonville, TX on December 8, 1985. David and Susan Brown purchased several lots of the sale, including the high selling lot sold for \$17,000.

## WEIGHT, WEIGHT AND MORE WEIGHT. REASONS ENOUGH FOR J. E. ADDISON TO SWITCH TO BEEFMASTERS

American cowman J. E. Addison, who raises cattle in North Central Texas, switched to Beefmaster bulls because of calving problems with larger breed European bulls. But he got an extra bonus when his first Beefmaster cross calves were weaned: Steers, 743 pounds; heifers, 672 pounds.

Steers from his second Beefmaster cross calf crop, some of which are shown here, weaned and sold at 725 pounds; heifers, 680 pounds.

"Having a little ear on them helps them sell," Addison says. He also likes the gentle, easy handling nature of his Beefmaster bulls and the calves they produce. Not surprisingly, he has switched completely over to Beefmaster bulls.

Like they did for J. E. Addison, good Beefmaster bulls can put more pounds of beef — and more dollars — in your herd. The need for these better performing bulls has never been greater. The time to switch to Beefmasters is now.

Beefmasters. We're Making The Cattle Business A Little Better.

Harrell Cattle Company also retained a one-quarter semen interest in this herd sire. Bayou Cattle Company of San Antonio purchased a 1981 son of H-241-74 for \$10,000.  
High selling three-in-one consisted of a 1982 daughter of Changer that sold safe in calf to HE 320-83 and with a September 1984 bull calf at side by Legend. This three-in-one package sold to Livingston Ranch of Palestine for \$9,700.  
Livingston Ranch struck again paying \$8,000 to own the high selling pair, a 1983 daughter of Spots Jr. that sold with a November 1985 heifer calf at side by Changer. Lazy Oak Road Ranch of LaGrange paid \$8,000 for a 1982 daughter of Millcreek that sold with a January 1986 bull calf at side by Painted Changer.  
Edward's Farms of Reeves, Louisiana bid \$5,000 to own a February 1982 daughter of Levi. She was the high selling bred cow and sold safe in calf to Changer son. Sams Beefmaster of Chatsville, Texas purchased a 1981 daughter of Changer that sold safe in calf to H-810-81 for \$4,900.  
Hans Wittenburg of Edna bid \$4,600 for a 1984 Singer bred female that sold with a January 1986 bull calf at side by D3.

Volume buyers in the sale were Livingston Ranch of Palestine, Texas, Hayden Gruns of San Antonio, Play Creek Ranch of Ragland, Louisiana and Bill Adams of Houston, Texas. Both of these sales were managed by Anthony Mihalski and Buddy Davis. Auctioneers were Bert Reyes, Anthony Mihalski and Ruben Reyes.

### Astro Classic Beefmaster Sale Set For Feb. 23

Houston, Texas - The Astro Classic Beefmaster Sale will be held Sunday, February 23, 1986. Sale time is 10:30 a.m. at the Shamrock Hilton in Houston, Texas.

Selling will be 45 Beefmaster female lots including three-in-ones, pairs and bred and open heifers from the herds of Harrell Cattle Co., Nolan Ryan Beefmasters, Wayne Fisher Beefmasters and Brushy Creek Beefmasters.

Auctioneer will be Charles Rollins. For information contact the sale manager, Davis Sale Management, Buddy Davis, 948 Twin Oaks, New Braunfels, Texas 78130, 512/625-6202.

### Guldry Beefmaster Sale Avg. \$1,076

A large crowd gathered to attend the Guldry Beefmaster Production Sale held on January 25, 1986 in Nacogdoches,

Texas. Forty two females grossed \$39,500 to average \$940 and 60 females grossed \$70,300 to average \$1,171 for a total of 102 lots grossing \$109,800 to average \$1,076.

High selling lot was a 1984 multiple sired female that sold safe in calf to a multiple sired bull going to Corninski Ranch of Schulenburg, Texas for \$2,300. Corninski struck again, purchasing another 1983 multiple sired female safe in calf to a multiple sired bull for \$2,000.

Corninski purchased the third high selling lot, a 1983 multiple sired female safe in calf to a multiple sired bull, for \$1,900, while Brian Ranch also paid \$1,000 for a November 1983 multiple sired female safe in calf to a multiple sired bull.

Volume buyers in the sale were Chick Cookman of Clayton, Oklahoma and Hope Agri, Inc. of Hope, Arkansas. The sale was managed by Superior Cattle Sales, Inc. and the auctioneer was Gerald Bowie.

A ship ought not to be held up by one anchor, nor life by a single hope.

### 2nd Annual "Standard Of Excellence" Beefmaster Bull Sale March 1

The East Texas-Louisiana Beefmaster Marketing Group is offering for the second year, 50 Breeding Age Beefmaster Bulls that have gone through various unique selling requirements and a uniform conditioning period, in order to offer commercial cattlemen a better product for their industry.

On December 15, 1985, the bulls nominated by the East TX-LA membership were assembled at Sam Houston State University at Huntsville, TX where the bulls will all undergo a 75 conditioning period. They will receive a high roughage ration that is being fed on large winter pastures where the bulls will have to travel and exercise and develop in an environment much like what their eventual home on the range will be.

Upon arrival, each bull was screened by John Newburn of the BBU, and by Jon Weil sale manager. The 50 best of the bulls remained at STHSU. The bulls will again be screened at the end of the

conditioning period, prior to the March 1 sale. All are virgin, service age bulls that have passed every measure for soundness, conformation, and breeding ability available.

The sale committee of the East TX-LA Beefmaster Marketing Group consists of Gene Long, Chairman from Groesbeck, TX; John Sturrock, Missouri City, TX; and Glen West, DeRidder, LA. They represent a group that is adamant about supplying the very best Beefmaster Bulls to Commercial Producers.

In addition, this year's sale will include 50 first and second cross commercial Beefmaster Females that can be used in Beefmaster Breeding Up Programs.

For more information about the sale, contact Jon and Laura Weil, Reputation Cattle Company, sale managers, (318)478-2437.

Houston Beefmaster Futurity February 22 In Astrohall Arena

Breeders Assn. will be held Saturday February 22, 1986. Sale time is 6:00 p.m. in the Astrohall Auction Arena, 12100 The Houston Livestock Show and Rodeo.

Selling will be 60 lots of top of the line cattle with impeccable pedigrees. There will be \$15,000 in premiums. Sale headquarters will be the Astrohall Marriott Hotel, 713/797-9000.

Auctioneer will be Leo Casas III. For information contact South Texas Beefmaster Breeders Assn., 801 W. Silverstars #2007, San Antonio, Texas 78216, 512/386-4372.

### Brushy Creek Sats Beefmaster Sale At Hallettsville, March 9

Hallettsville, Texas - The Brushy Creek Beefmaster Springtime Bull and Heifer Sale will be held Sunday, March 9, 1986. Sale time is 10:30 a.m. on the females and 1:00 p.m. on the bulls. Lunch will be served at noon. The sale will be at Brushy Creek Beefmasters, FM 2314 east of Hallettsville, Texas. Guest consignor is Diamond C Beefmasters, Houston, Texas, 713/977-6600.

Selling will be 160 lots including 70 bred and open heifers, 10 pairs and 80 Beefmaster bulls.

Sale headquarters will be the Chaparral Motel, 512/798-4386.

For information contact Leon Barnes, Brushy Creek Beefmasters, Rt. 1, Box 640, Hallettsville, Texas 77964, 512/798-2111.

# Gulf Coast Hereford Spring Sale Averages \$1208 on 53 Lots

Beautiful weather greeted the large crowd at the Gulf Coast Hereford Association Spring Sale held at the new sale location in Brenham, Texas on February 1, 1986. Several consignors put together some of their best Hereford bulls and females for this sale, held shortly after a Hereford show. Thirty-four bulls averaged \$1,286 and 19 heifers averaged \$890. Fifty-three total lots grossed \$64,030 to average \$1,208.

Topping the sale in the bull division were two consignments from J Bar F Ranch of Normangee, Texas. Both were full brothers sired by Le Grand Domino 7184, better known as David (a triple trait leader in the Hereford breed). They topped the sale at \$3,400 each going to J. B. Parton of Crockett, Texas.

J Bar F Ranch sold two other high selling bulls to Chas. Herder, Jr. of Welmar, Texas for \$2,550. Thomas Ranch of Richards paid \$2,150 for JBF Mark Domino 4208, a son of L1 Star Command consigned by J Bar F Ranch.

Murphy Ranches of Normangee was one of the volume buyers in the sale. Two of their high buys for the day were two bulls from the reserve champion pen of bulls consigned by J Bar F Ranch. They paid \$1,950 each for these lots.

In the female division, Murphy Ranches purchased the top selling female at \$1,850. This was for a daughter of L1 Domino 75901 consigned by J Bar F Ranch.

Palori Ranch of Hempstead was one of the volume female buyers in the sale.

Their top buy for the day was a consignment from J Bar F Ranch that sold for \$1,025. Robert Bishop of Hearne paid \$1,000 for another consignment of J Bar F Ranch. He also paid \$600 for five females consigned by Morris Lacy K Ranch of Marquez that sold bred to a registered Brahman bull, to have certified F-1 calves.

Again, a strong demand was seen for Hereford cattle at this sale. Auctioneers for the sale were Walter and Dick Britton of Bryan, Texas.

Mark Murphy of Murphy Ranches near Normangee, Texas, is shown at the Gulf Coast Hereford Association 36th Annual Spring Sale held on February 1. Mark was a volume buyer in the sale, with two of his high buys for two bulls in the reserve champion pen of bulls consigned by J Bar F Ranch of Normangee.

A company is known by the men it keeps.

For information contact the International Zebu Breeders Assn., 2600 South Loop West, Suite 310, Houston, Texas 77054, 713/665-3374.

## USDA Officials Say No Decisions Made On Budget Cuts

(CONT. FROM PAGE 1A)

department on a pro rata basis. He suggested the "easiest" way for the administration to make these cuts would be to leave crop programs intact and cut the required 4.3-per cent from each check. "The other way to do it is to go through every single program" and try to make cuts equally in each, he said. "We are not entirely sure in every case what the department's flexibility is," Dewhurst said.

Committee members said they were concerned that any reduction in loan payments effectively would be a cut in the loan rate and would mean lower commodity prices. "The Gramm-Rudman legislation and sequestration order clearly says that the department has to cut loan outlays," Dewhurst said. He admitted USDA will not save much by doing that because those payments are loans. "But loans or checks for loans will be cut," Dewhurst also said the way Congress wrote the legislation, programs funded

by user fees also would be cut. Several committee members pushed Dewhurst and other USDA officials at the hearing for answers on how cuts might be made. Some members were frustrated the decisions had not been made yet.

Dewhurst told the committee USDA did not know yet whether multi-year contracts, such as those for the conservation reserve, would be exempt from cuts, he emphasized all decisions on Gramm-Rudman would be made soon.

## Braford Transaction Recently Announced

Turkey Creek Ranch, Sulphur, Ok., has recently announced a major transaction involving Braford cattle registered by the new American Braford Registry. Four quarter-blood Braford bulls sold to Hinsley Land and Cattle Co., Fowler, Ok., at prices considered to be the highest to date for ABR recorded Braforas. Key element of the transaction was possession interests in two young bulls named TCR Bandit and TCR Warrior.

The selections were made by W. C. Coleman, manager of Hinsley Land and Cattle Co. These quarter-blood bulls will be used on a select herd of registered Hereford cows to produce fullblood Braforas on this Texas ranch.

Turkey Creek also sold five half-blood Braford females to Dr. Lynn Esso, Campbellton, Tx., at the same time the bull transaction was confirmed. The nine-head transaction represented a six-figure evaluation, the Braforas reported to date.

The American Braford Registry was initiated September 1, 1985. To date, some 1,200 head of percentage and fullblood Braforas have been recorded through ABR.

## Select Chianina Sale At Houston Set For February 17

# **Yellow Rose Texas Longhorn Show And Sale, February 16**

San Antonio, Texas - The Yellow Rose Texas Longhorn Show and Sale will be held Sunday, February 16, 1986. Sale time is 12:30 p.m. at the Joe Freeman Coliseum Auction Sale Barn during the San Antonio Livestock Show and Rodeo.

The show and sale will include 60 lots of investment quality Texas Longhorns from the Butler Boy Syndicate member ranches. Included will be donors, embryos, pairs, herd sires and heifers.

Auctioneer will be Eddie Wood. Show headquarters will be the Holiday Inn Northeast 512-225-2941.

For information and catalog contact Donna, New Braunfels, Texas 78130, 512-625-3441.

A bald eagle occupies his nest for a lifetime. Through continual renovations, the nest can sometimes weigh over a ton.

# **Hereford Champions Named At The 80th National Western**

The National Western Stock Show is often referred to as the "World Series" and "Super Bowl" for the Hereford breed. And the 80th National Western was no exception. The long day of competition for the \$25,000 in prize money found 193 head from 131 owners representing 25 states and Canada vying for honors and prestige on January 13, 1986 in Denver, CO.

Making the placings before a coliseum-filled crowd was Dr. Harlan Ritchie of the Animal Science staff of Michigan State University, East Lansing. The competition was universally accepted as being the strongest in many years as judge Ritchie took a great amount of time and deliberation in making his placings.

Star Domino 288ET claimed the coveted grand champion bull award for Lone Star Hereford Ranch of Henrietta, TX. The day following the show, 288ET went through the National

Western sale auction ring and commanded \$225,000 for one-half interest. The buyers were High Country Herefords, Mitchell, OR, and Doug Mills, Pampa, TX.

C Li Express 3223 ET is a bull that has been heavily campaigned this show season and has been a consistent winner of purple ribbons for Colyer Herefords, Bruneau, ID. After placing second to the grand champion in the senior yearling class, he followed as senior yearling champion, then on to the reserve grand championship honor. He said in the National Western sale at \$120,000 for one-half interest to High Country Herefords.

The female competition was just as strong and just as exciting to witness as the bull show. Many previous champions from other shows were meeting head-on for the first time. KB Challeas 4080 1ET, owned by Brenda Bieher of K&B Herefords, Onida, SD, walked off with the grand champion female award. Bill and Jo Ellard's EE Hereford Ranch, Winona, MS, owned the reserve champion female. She was EE Canadian Lass 275, the late spring yearling class winner and reserve yearling champion. Both yearling champions in the bull competition came from K&B Herefords.

The top yearling bull honor went to K&B Li Momentus 1ET. K&B 970 Domino 4104 claimed the blue ribbon in the late spring yearling class and went on to become the reserve yearling bull.

The calf champion bull award went to the senior calf class winner, Le Grand Domino PT, a son of BLR CL1 Domino 5109. He is owned by Bright Bros. Hereford Ranch, Le Grand, CA. The reserve bull calf award went to SR Verdlet 456, a son of GK Encore 809R, from the late spring class. He is owned by Stuber Ranch, Bowman, ND; Lee Campbell, Dublin, TX; and Weldon Edwards, Clyde, TX.

The calf champion female was LS Domot 370 2ET, a senior calf daughter of BLR CL1 Domino 5109. She is owned by Lone Star and Forrest Roid, Altus, OK. LMR L1 Marlette 5047 claimed the reserve calf champion heifer award after winning the blue in the early spring calf class and is owned by Indian Mount Ranch, Canadian, TX.

Lone Star Hereford Ranch took the high award in the class for the best six head from an exhibitor, and sons and daughters of BCR CL1 Domino 6109 (Lerch) won the blue in the get-of-sire class. The four head came from the strings of Lone Star and Bright Bros.

Being able to show the champion bull at the National Western Stock Show in Denver is one thing most people dream of and never obtain. The success of Lone Star Hereford Ranch, Henrietta, TX, has achieved over the years made it no surprise when the Star Domino 288 ET was selected champion of the \$25,000 Super Register Merit Show. His trail is a prestigious win first walked him in the winner's circle as the top side yearling and senior champion. High Country Herefords, Mitchell, OR, and Doug Mills, Pampa, TX, secured their approval of the judge's selection with the one-half interest purchase for \$225,000.

C Li Express 3223 ET, possibly the reserve grand and reserve champion bull, was sold for \$120,000. Super Register of Merit Show National Western Herefords, Bruneau, ID, owned the son of the champion, the 1983 and 1984 champion. He stood 61.25 inches and had a 38.3 centimeter scrotal circumference.

High Country Herefords, Mitchell, OR, purchased one-half interest in November 14, 1983 reserve champion for \$120,000.

SR Verdlet 456 claimed the late spring bull calf class reserve bull calf champion prize in the \$25,000 Super Register of Merit Hereford competition at the National Western Stock Show in Denver, CO, ed by Stuber Ranch, Bowman, ND; Lee Campbell, Dublin, TX; and Weldon Edwards, Clyde, TX. The Encore 809R son, recorded a 1.0 pound weight-per-day-of-age.

**Cross Timbers Polled Hereford**

Stephenville, Texas - The Cross Timbers Polled Hereford Association Annual Sale will be held Sunday, March 15, 1986. Sale time is 12:30 p.m. at the Horse Pavilion at Taylor University, Stephenville, Texas.

Selling will be Polled Hereford cows, bred heifers, club steers and heifers.

Auctioneer will be Wesley Martin. For information contact Wesley Martin 817/897-4110 or Carl Simpson 817/832-6122.

# **Champion Of Champions Simmental/Simbrah Sale Set February 18**

Houston, TX - The Champion of Champions Simmental/Simbrah Sale will be held Tuesday, February 18, 1986. Sale time is 5:00 p.m. at the Houston Stock Show and Rodeo. The sale will be held in conjunction with the 18th Annual American Simmental Association's National Convention, February 17-20.

Selling will be 25 fullblood and purebred Simmental and Simbrah cattle. Auctioneer will be Joe Mitoham.

The Champion of Champions Simmental Show will be held February 18 at 8:00 a.m. followed by the Open Simbrah show.

Sale chairman is Harry Stafford. For information contact the Texas Simmental/Simbrah Association, 12330 West Avenue, Suite 103, San Antonio, Texas 78216, Warren Garrett, Executive Secretary, 512/342-4264 or the sale manager, Dean Taylor, Box 137, Stephenville, Texas 76401, 817/968-8029.

# **Cattleman's Symposium Featured During Houston Show**

A "Cattleman's Symposium" bringing together four prominent speakers will be offered on Wednesday, February 19 during the Houston Stock Show and Rodeo.

Co-sponsored by the American Simmental Association and the American Brahman Breeders Association, the event is open to the public and will be held in the Astro Village Hotel beginning at 1:00 PM. The Symposium speakers and their subjects are as follows:

Dr. Randall Grooms, Texas A & M University Extension Livestock Specialist who developed the "Texas cow-calf clinics", will be the first speaker. Grooms will discuss "Simmental and Brahman Complementarity in Crossbreeding".

Dr. James Sanders, Texas A & M Science, is a project leader of crossbreeding studies at the Riesel Station. He has observed livestock production in nearly a dozen foreign countries. Sanders will speak on the "Characteristics of Bos Indicus Cattle". Bruce Lowrie, a Fort Worth businessman, raises Simbrah cattle and serves as Secretary/Treasurer of the ABBA, as well as President of the Texas Brahman Association. Lowrie's subject will be "Simbrah: The Best of Two Worlds".

Dr. John Pollak, Associate Professor of Animal Science at Cornell University, is a leader in developing methodology for the genetic evaluation of beef sires. Pollak will discuss "Sire Evaluation and Its Potential For Simbrah Cattle".

"It is our privilege to join with the Brahman breeders in offering this outstanding line-up of professionals to members of both Associations and cattlemen in general," said ASA Executive Vice President Earl B. Peterson. "Since Brahman and Simmental are proving to be so complementary to each other from a genetic point of view, it is only logical that our two organizations should cooperate in sponsoring this program".

In addition to the Cattleman's Symposium, both Associations will be holding Annual Meetings and Conventions during the week. The ABBA Convention begins on February 17 with a full day of committee meetings, and concludes with a cattle sale on February 20. ASA opens its schedule on February 18, and covers three days, concluding with the Awards Banquet and Dance the evening of February 20.

The Texas Simmental/Simbrah Association has scheduled its activities for Tuesday, February 18. At 8:00 AM, the Champion of Champions Simmental Show begins, followed by the Open Simbrah Show. At 4:00 PM, a Pre-Sale Cocktail Party will be held, followed by the Champion of Champions Simmental/Simbrah Sale at 5:00 PM. All four events will be held at the Astro-Hall.

ABBA cattle activities include the International Female Show at 7:00 AM on February 19, the Bull Judging at 7:00 AM on February 20, and the Sale at 8:00 PM that same day.

Now that the Super Bowl is over, maybe we can discuss other sports, like bowling. That's just one guy in an alley trying to get a lucky strike. In the old days, that also described a bum who had just spotted an unused cigarette.

A fellow said he'd rather howl than eat.

Persons seeking more information about the Symposium or other Association's activities, should call ASA headquarters at 1-800-548-0205 or the ABBA at 1-713-795-4444.

When I asked if he had his wife's blessing for this sport, he said, "Sure, she'd rather play bridge than cook."

A local macho jock took up bowling but soon gave up the sport... said the ball was too hard to dribble.

Not many football players make it in bowling either. Jim McMahon, for instance, tried it and failed miserably. You don't see many overhand deliveries.

Fishing is another sport that doesn't have much coverage on television. It's hard to get tarpon to show up in the Orange Bowl under their own power. Although occasionally, I have seen in the parking lot a two-door stingray.

One good thing about fishing, as opposed to hunting, you seldom ever hear of anybody mistakenly being shot for a fish. Of course, you have to use your head. It would not be a good idea during the off season for the refrigerator to go scuba diving near a whaling vessel.

A fellow asked another how many fish he'd caught. With intense concentration, the guy answered, "If I can catch the one I'm after here and two more, I'll have three."

Being a sportsman is enough to turn a mother's hair grey. A lady I know tried to get her husband to take their 2-year-

old daughter "bank fishing" with him. When he came back without any fish, she asked why. He said, "She ate all my bait."

Basketball is still in the news. Did you ever notice how many people who tell us to eat right, stay fit, and manage their money drop dead and die broke? Then some kid from the ghetto raised on junk food grows to be seven feet tall and makes five million per year?

A kid from my hometown bragged he didn't need an agent and negotiated a \$500,000 contract for himself. The fine print says he gets \$500 per year for a thousand years.

Sports is a tough business. The coach of the Houston Oilers lost his job recently due to illness and fatigue. The owner was sick and tired of him.

But regardless of the time of year some sport will be in the news. Those lucky athletes, regardless of the sport, who can keep their health, always hope to progress to the ultimate level of achievement. It's a three-step program. Rookie of the Year, Sports Hall of Fame, and finally Lite Beer commercial. Copyright 1986, Doc Blakely, Pokin' Fun Newspaper Syndicate.

BEST SALE COVERAGE IN THE S.W.

# **West Coast Import Meat**

Bell, CA, Jan. 31 (F.S.) - West Coast Import Meat (Los Angeles to Seattle). Bull and cow beef 1.00-2.00 higher than late last week. Trading was fairly active early in the week before the market got considerably stronger as the domestic market was sharply higher. Higher asking prices, retarded trading late.

### Feedlot Trade Opened Uneven

(CONT. FROM PAGE 1A)

choice 2-4 1100 lb. heiferettes 52.50.

Dodge City, Feb. 4 (USDA) - Western Kansas feedlot trade rather slow. Compared with last Thursday, slaughter steers 50 lower; slaughter heifers steady. Sales confirmed on 3,600 slaughter steers and 2,400 slaughter heifers Monday. For the week to date 10,200 head confirmed. Steers: choice 2-3, few 4 1075-1200 lbs. 58.50-59.00; few choice with end good 58.50. Heifers: few choice 2-3, few 4 975-1080 lbs. 58.00-58.25, few 950 lbs. 57.75; choice with end good 970-1025 lbs. 57.00-57.50.

Omaha, Feb. 4 (USDA) - Nebraska feedlot sales 8,100, week to date 12,200. Opening demand fairly good, steers and heifers steady to 60c higher. Producers slow to sell in the forenoon, more active late. Closing trade slow, some buyers with reduced orders late. Live sales: steers: mostly choice 2-4 1100-1250 lbs. 59.00-60.00 both FOB and delivered. Heifers: good to mostly choice 2-4 975-1150 lbs. 58.00-58.50, instances

59.00 delivered. Dressed basis 70%. Dressed prices firm, some sales 50 higher from Friday's strong close. Weight only steers: mostly choice 900-950 lbs. 94.00-95.00, closed 94.00-94.50. Weight only heifers: good to mostly choice 500-700 lbs. 92.00-93.00, instances 93.50 early; closed 92.00-92.50.

Des Moines, Feb. 4 (F-S) - Iowa, southern Minnesota direct sales for Monday 2,900. Live sales: slaughter steers and heifers steady to \$1.00 lower. Trading on Monday moderate. Demand light to moderate. Seller interest light. Slaughter steers: mostly choice 2-4 1025-1250 lbs. 58.00-60.00. Slaughter heifers: mostly choice 2-4 900-1100 lbs. 55.00-57.50. Carcass basis: steer and heifers steady to \$5.00 higher. Weight only: steers, mostly choice 2-4 800-900 lbs. 94.00-95.50. Weight only: heifers, mostly choice 2-4 600-700 lbs. 92.00-93.50.

Few things in life are as important as the pride of craftsmanship, at whatever level it may occur. The pride in a job well done, the feeling of having a horse that one can ride.

### Feeder Cattle Prices Likely To Stabilize

BY BOB BURGDOERFER

Kansas City, Jan. 29 (KRF) - The cent upswing in cash feeder cattle prices may be running out of steam with the heavier-weight feeders the most vulnerable to price busts.

Average feeder cattle prices during the past two weeks have been \$2.00 to \$4.00 per CWT at major markets and buyers have had a big selection from which to choose, according to USDA.

The analysts attributed the price strength to seasonally tight supplies of feeder cattle, expectations of higher prices, and the ability to pay steadily less for the lighter-weight cattle (under 600 pounds) against the Q1 feeder cattle futures Sept. or Oct. contracts.

Also, ideas Aug. CME live futures will move higher may have prompted buying of feeder cattle for long purposes, said Dick Hummel, analyst with Farmers Grain and Livestock Corp. Hummel estimated 850-pound steer, costing \$65.00, probably would break even or make a little against Aug. Aug. settled at \$36 Tuesday.

The heavier-weight feeder cattle, 700 to 800 pounds, may be more susceptible to a price drop, on ideas as fed cattle they would break even at best if helped against the CME June live cattle futures, said Joe Kropf, analyst with LBAS consulting group. He added Tuesday at \$82.37.

Hummel said fed cattle prices were down and the heavy-weight feeders also could become victims of this price pressure.

The market for lighter-weight cattle will be dependent on the western Kropf said. Rain is needed in the west and southwest and should it not, feeder cattle demand and prices should increase, he said. The ample receipts in recent weeks were attributed to the lack of sales of cattle, he said.

Feeder cattle, weighing 600 to 800 pounds, could trade between \$87.50 to \$75.00 in coming months, Kropf said. The southern areas receive rail prices could move to the upper end of that range, but if there is no rain, they could move to the lower end, he said.

Prices for the lightweight cattle may hold steady near-term, but should improve by March for grazing purposes, said Bob Price, Western Livestock Market Information Program. Also, lower calves, because of liquidation, should add support prices this spring, he said.

Although demand for the lightweight cattle should improve this spring, Lee Abrahamson, analyst at Saul Stone and Co., Chicago, said, receipts then may prevent any price increases. The largest source of cattle off wheat pastures occurred March to May, he said.

Abrahamson also said prices will depend heavily on demand for commercial feedlots, because he believes many small farmer-feeder operations will receive the credit to buy feeders this year.

### W. Kansas Feedlot Movement 41,000

Dodge City, Jan. 31 (USDA) - Slaughter steers and heifers last week advanced, steers closed mostly 1.00 higher and heifers 50c to 1.00 higher. Class well established late. Feedlot market current, but will carry over cattle than last week. Steers 27. Throughout the period, choice 2-3 1085-1250 lbs. 58.00-61.00, late choice with end good 1080-1200 lbs. 59.00-60.75, late 59.00; few choice with end good 1175 lbs. including choice bulls 60.25 early; few choice with end good 1250 lb. Holsteins 61.00 late. Heifers 27. Throughout the period, choice 2-3, few 4 975-1100 lbs. 58.00-60.00, 58.00-59.00; choice with end good 970-1025 lbs. 57.00-57.50, late 57.00; few choice with end good 1075 lbs. 57.00 and heiferettes early 57.50, few 58.50.

Americans spend \$400 million on razor blades.

### National Charolais Sale At Houston Show Set February 21

Houston, Texas - The 7th National Charolais Sale will be held Friday, February 21, 1986. Sale time is 7:45 p.m. in the Astrohall Super Sale Salon at the Houston Livestock Show and Rodeo.

Selling will be 20 lots of Charolais cattle including 1 bull, 17 top females and 2 transplant calves. Also selling will be added lots from the heaviest in the National Charolais Show to be held February 29.

The sale is sponsored by the American International Charolais Association and the Texas Charolais Breeders Association.

For information contact the sale manager Buzz Garey, Box B, 100 Walnut Lane, Morrisville, Pa. 19067, 215/295-6485.

### Charolais Champions Selected at the 1986 National Western

Record-setting crowds and warm temperatures welcomed Charolais breeders to Denver on Jan. 8 for the Area 4 Roll of Excellence Show held in conjunction with the 80th National Western Stock Show.

Exhibitors from 26 states, Washington, D.C. and Canada paraded 53 females and 37 bulls past Dr. J. Dee Woody of Southern Illinois University at Carbondale.

In a strong bull show, Dr. Woody selected the Senior Champion, Immortal, as the Grand Champion. Immortal is a May 1983 son of ABC Iceman 811 and was exhibited by Windy Hills Charolais Ranch of Commerce, Ga., and Bermidkin Farm of Wagener, S.C.

Following into the Reserve Senior and the Reserve Grand Champion slot was Silver Creek Thunderbolt K59, a June 1983 son of Apocalypse. Thunderbolt is owned by Silver Creek Farms of Blue Mounds, Wis., Circle C Charolais of Morrisville, Pa., and Vantage Charolais of Kleinburg, Ont., Canada.

A Warsaw, Ind., breeder, Perfection Charolais, led out Cardinals Tara R954 to claim the Grand Championship in the female show.

With a July 1984 Apocalypse daughter, Barton Charolais Ranch of Mantle, Utah, followed into the Reserve Senior and the Reserve Grand Champion spots.

In the bull show divisions, Bauman Ranch of Carpenter, Wyo., teamed up with Miller Farm of Osceola, Iowa, to pull RR-MF Craggsrand T762 into the Junior Bull Calf Championship. Miller Farm won again, this time leading out MF High Time 6285, a January yearling sired by High-Rise. He is jointly owned with Wolf Ridge Group of Springfield, Ohio.

Another High-Rise son, Silver Creek High Design 818, shown by Silver Creek Farms claimed the Senior Bull Calf Championship. Back for a third division championship, Miller Farm led out MF Frome Ram ET, an October 1984 Apocalypse son, for the Reserve Bull Calf.

In the Junior Bull division, Lochmoor Sterling 18 took honors, and was shown by Twin Tradition Farms of Clarksville, Mich., Wat-Cha Charolais of Mount Forest, Ont., Can., Lochmoor Charolais of Foresters Falls, Ont., Can., Linwood Charolais Co. of Warburg, Alta., Can., and Granada Acres of Grimsby, Ont., Can. The Reserve Junior Championship went to HVR Sheer Power 1, owned by Bob Evans' Hidden Valley Ranch of Bidwell, Ohio, and Stone-Del Farms of Hartsville, Ohio.

Going into the female show, Miller Farm walked away with another divisional championship winning Junior Calf honors with MF Miss High Class. She's a January 1985 daughter of High-Rise. A first entry, Feist's High Girl 5P-1 from Silver Creek Farms and Curtis Feist of Selma, N.D., followed into the Reserve Junior Calf spot. The Senior Heifer Calf award went to GCR Silver Starlet 1, shown by Guggenberger and Edwards Charolais Ranch of San Juan Bautista, Calif., and Adams Charolais Farms of Springfield, Ohio. Ann Nichols of Ankeny, Iowa, exhibited the Reserve Senior Calf Champion female, Iowa Miss Utopia. She's a September 1984 daughter of San Souci Generator.

Immortal was named the champion Charolais bull at the 80th National Western Stock Show held in Denver, Colorado on January 8, 1986. He was exhibited by Windy Hills Charolais Ranch of Commerce, Georgia and Bermidkin Farm of Wagener, South Carolina.

## ABBA To Host Annual Meeting In Houston

Houston - The annual membership meeting and winter board meeting of the American Brahman Breeders Association will be held here February 17-18 at the Astro Village Hotel.

Committee meetings are scheduled for Feb. 17-18 with the board meeting set for the morning of Feb. 18 followed by the general membership meeting Tuesday afternoon, February 18 at 1:30 p.m.

A joint educational program sponsored by ABBA and the American Environmental Association has been set for 1:30 p.m. Wednesday afternoon, February 18. Following the program, a joint cocktail hour will be held at 8:00 p.m. All events are at the Astro Village Hotel.

The International Brahman Show has been scheduled for Wednesday and Thursday morning, February 19-20. Judging begins both days at 7:00 a.m. The International Brahman Sale will be held at 2:00 p.m. that afternoon. A pre-sale party has been set for 1:30 p.m. in the Herdman's Room at the Astrohall. All cattlemen are invited to attend all of these Brahman events. For information contact ABBA, 1313 La Concha Lane, Houston, TX 77054.

## ABBA Announces Creation Of Brahman 'Hall Of Fame'

Houston - The American Brahman Breeders Association has recently announced the establishment of a Brahman "Hall of Fame" recognizing those outstanding breeders and staff persons who have made significant and long lasting contributions to the breed and association.

The first selection committee met recently and elected nine persons who will be posthumously inducted into the "Hall of Fame" during the 1986 Annual Meeting in February in Houston, Texas. Family members of these

deceased breeders will be on hand to receive this long due recognition. In making the announcement, ABBA President Sloan Williams said, "It is fitting that we recognize these breeders in this special way. It is to their courage and determination we Brahman breeders today owe our prosper."

After this initial year, primarily one honoree will be selected per year. To be eligible, an individual must have a long association with the breed, significant contributions to the breed and association. At least 75% of the committee must approve of a name before they are accepted for the hall. The first nine honorees will be announced prior to the February meeting in Houston.

## Separate Shows Attract 250 Reds, 500 Greys At Houston

Houston - The move to separate Brahman show ring at the 1986 Houston Livestock Show & Rodeo has met tremendous response from members of the American Brahman Breeders Association.

Over 750 Brahman entries have been judged at 7:00 a.m. on Wednesday, February 19 and bulls at 10:00 a.m. on Thursday, February 20. In total, over 250 are red Brahman and approximately 500 are grey Brahman.

The International Brahman show will be judged by Jim Lintner and J.T. White, Henne, TX. Edgar Hudgins, Hungerford, TX, will be the judge of the red Brahman show. The separate show ring has created great deal of interest and enthusiasm for the breed this year and will be the highlights of the season.

## Houston Brahman Show Dedicated To White & Hudgins

Houston - The Houston Livestock Show & Rodeo's International Brahman show is dedicated to two past presidents of the American Brahman Breeders Association.

Edgar Hudgins, Hungerford, TX, and J.T. White of Henne, TX, were recognized for their lifetime contributions to the Brahman breed.

Hudgins is a member of the J.D. Hudgins ranching family. His name has become synonymous with Brahman cattle. His founder, sire Manso was one of the truly great sires of the Brahman breed and having an influence on Brahman today. Hudgins has spent his life in the cattle industry and the leadership roles. He served as president of the American Brahman Breeders Association from 1953 to 1955, 1958 to 1960, 1965 as well as since 1965.

# CHAROLAIS

1st things 1st: MORE PROFIT AT MARKET

Modern, Easy-Calving  
Charolais Bulls

Produce Better Payout

Commercial ranchers using Charolais bulls  
are "way out front!"

Cow herds all across the country are using MODERN Charolais bulls  
... bulls with bred-in predictability for lower birth weights, improved calving  
ease and increased growth rates. Talk to ranchers using MODERN

Charolais bulls. They'll tell  
you about their increased  
pounds of calf weaned per  
cow exposed ... fast growing  
efficient calves that are  
preferred by feedlots,  
packers and retailers.

### Charolais Carload Show Strong At National Western

With demand for Charolais bulls at a strong level, the National Western Stock Show at Denver was a good location for breeders to exhibit bulls on Jan. 9. Bulls from seven midwest and western states were presented to judges Dr. John Edwards of Colorado State University, John Mitchell of Koshkonong, Mo., and H. Dee Woody of Southern Illinois University.  
The show began with the selection and placing of the winning entries of the Pen of Three Show. Bauman Ranch of Carpenter, Wyo., exhibited the Grand Champion Pen with sons of ACP Apolypase 40 and Paker King Junior GV 18G. The bulls were displayed with an average age of 588 days, an average weight of 1,885 pounds and an average weight per day of age of 8.12 pounds.  
The Reserve Grand Champion Pen came out of the competitive calf class where bulls exhibited were born after Jan. 1, 1985. Bar 7 Bar Ranch of Owanka, S.D., presented three sons of Apolypase to take home the banner. In a strong Carload Show,

Klingensmith's LK Ranch of Meeker, Colo., presented the Grand Champions. The 10 bull calves were sired by LK Apolypase and Colano Deter. They averaged 275 days of age, with a 985-pound weight and a 8.40-pound weight per day of age.  
The Reserve grand Champion Carload was shown by DeBruyker Charolais of Dutton, Mont. All 10 bulls were progeny of Spain's Show Me Poll.

### Chianina Winners At National Western Open Show Named

Denver - The American Chianina Association Open Show was held January 16, 1986 during the National Western Stock Show in Denver, Colorado. The show was judged by Jerry Adamson of Cody, Nebraska, with a total of 77 females, both black and white, entered in the annual show.  
P Bar C Easter, owned by Chad McCleary, Libertyville, Iowa and Conda O. Richards, Chadbourne Ranch, Bronte, Texas was named Grand Champion black Chianina female and senior champion (CONT. ON PAGE 4B)

"I haven't been able to get in to see my banker. He's changed the locks."

## Chianina Winners At National Western Open Show Named

(CONT. FROM PAGE 3B)

black female, Reserve Grand Champion Black Female was BC Miss Flashback 2, owned by Black Champ Enterprises, Inc., Waxahatchie, Texas and Miller and Baird Land and Cattle, Lilburn, Georgia. She was also selected as black calf champion. SBJ Special Edition 268, owned by McMorris Farm of Hereford, Texas and Conda O. Richards, was named Reserve Grand Champion Chianina black bull at the Open Show. The bull was also selected as reserve junior champion Chianina black bull.

RAR Miss Valentine CA, owned by Bill Miles of Katy, Texas was selected reserve senior champion Chianina black female and was later named champion Chianina breeding heifer in the Northern Plains Regional Junior Heifer Show.

BC Miss Special Queen owned by N. D. Oswald of Duncannon, Texas was named reserve half champion black Chianina female and RAR Lizzie, owned by Craig Miles of Katy, Texas was selected junior champion black Chianina female at the American Chianina Association Open Show.

## Charolais Breeders Aim For Best Ever 'National'

"They want to make this the 'best national ever.' That's the word from Dennis Adams, president of the Charolais Association of Texas, whose members are working with AICA to put on the 17th National Charolais Show and the 7th National Charolais Sale to be held Feb. 18-21 in Houston.

With 800 head of Charolais breeding stock from around the United States entered, the National Show will highlight the four-day event. Dave Hawkins of Michigan State University and Larry Reifschneider of Hubbell, Iowa, will evaluate the cattle beginning at 7:30 a.m. on Thursday, Feb. 20. Following the Charolais show, approximately 30 head of Charolais will compete for honors under Judge Randall Grooms of Texas A&M.

Friday, Feb. 21 is sale day for both Charolais and Charolais. The 7th National Charolais Sale with 20 cataloged lots is scheduled for 7:45 p.m. in the Super Sale Salon. Additional consignments will be added to the offering following the show. Charolais' 9th International Sale will begin at 2 p.m. in the Auction Sale Arena. A select group of both bulls and females will be offered.

A lot of other Charolais activities are planned those four days starting off with the committee meetings on Tuesday, Feb. 18. The AICA Board of Directors are scheduled to meet Tuesday and Wednesday. With the annual AICA general membership meeting falling on Wednesday afternoon, all of these meetings will take place at the Sheraton Hilton.

Following the week of activities will be the annual awards banquet on Thursday night and the herdman banquet on Friday.

The Charolais-Dees have some special activities planned for the National beginning with a meeting on Feb. 18. On Wednesday morning, the ladies will pack up and be off for a day of sightseeing and shopping in the Galveston Bay area.

Besides all of the regular activities, Charolais Association of Texas members are going one step further to show everyone that good Texas hospitality. The association will be sponsoring courtesy vans back and forth from the hotel to the Astrodome, where the shows and sales will be held.

To give good exposure of the cattle consigned to the National Sale, CAT is setting up an attractive display in the middle of the Charolais show cattle exhibit. They will have a special display booth set up in the barn that you'll for sure want to stop by and visit.

Back at the hotel the CAT ladies along with the Charolais-Dees will have a hospitality room, so join them for visiting and relaxing.

## Angus Show Number Up At Southwestern Expo

The Angus show at the Southwestern Exposition and Fat Stock Show held in Fort Worth, Texas, saw an increase in the number of cattle exhibited at this year's event compared to last year. A total of 146 bulls and heifers were contenders for the championship honors being awarded by Judge Bill Conley, Clarkdale, Missouri.

Taking home the grand champion honor in the bull show was J K Pine Tar, This May 1983, Pine Drive Big Sky, an earlier captured senior champion son for his owners Jerry Williams, Lockney, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas. Conley went with his senior calf winner, R O R Royalty 1087 for reserve grand champion bull. He is owned by Rolling Oaks Ranch, Burkett, Texas, and is an October 1984, Pine Drive Big Sky son.

R & J June 1984 stood in the limelight for R & J Ranch, Briggs, Texas, and Cobble Pond Farm, Millerton, New York, when she was selected as the grand champion female. Her first honor came when she was named the intermediate champion. She is a June 1984 daughter of R & J Austin 18, Rolling Oaks Ranch, again stepped into the winner's circle with the reserve grand champion female, P V Phantasia, also owned by Patrick Verbot, LaGrande, Oregon. This April 1984, Pine Drive Big Sky daughter earlier claimed the junior champion title.

Pine Drive Big Sky progeny placed first in the get-of-else class. The winners were shown by Premier Angus Inc., Rolling Oaks Ranch and Pine Tar Associates. R & J Ranch put together the best six head and offspring of R & J Austin 18 to win the junior get division. Another champion went to Rolling Oaks Ranch when they exhibited the reserve senior champion bull, Gunston Hobbs.

A group of Missouri breeders, Sydenstricker Angus Farms, Mexico; Gary, Fretwell, Monticello; and Gold Star Angus, Columbia, exhibited the junior champion bull. He is FAF

Senior champion, J K Pine Tar was slayed as the grand champion Angus bull by judge Bill Conley, Clarkdale, Missouri, at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. He is owned by Jerry Williams, Lockney, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas.

R & J June 1984 stands as the grand champion female of the 146-head Angus show at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. First named the intermediate winner by judge Bill Conley, Clarkdale, Missouri, she is owned by R & J Ranch, Briggs, Texas, and Cobble Pond Farm, Millerton, New York.

Reserve grand champion Angus bull at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was this senior calf champion, R O R Royalty 1087. He is owned by Rolling Oaks Ranch, Burkett, Texas.

Hilltop Ranch, Iowa Park, Texas, showed the champion bull at the 1986 Texas Angus Futurity, Fort Worth. Judge Bill Conley, Clarkdale, Missouri, awarded R & J Austin 515 this honor.

The champion heifer at the 1986 Texas Angus Futurity, Fort Worth, was R & J Bo 2734, shown by R & J Ranch, Briggs, Texas. Bill Conley, Clarkdale, Missouri, served as judge.

Rolling Oaks Ranch, Burkett, Texas, and Patrick Verbot, LaGrande, Oregon, own this reserve grand champion Angus female of the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. P V Phantasia was first named the junior champion by judge Bill Conley, Clarkdale, Missouri.

Offspring of Pine Drive Big Sky captured first place honors in the Angus get-of-else division at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. The champions were shown by Rolling Oaks Ranch, Burkett, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas.

Weaver Angus Farm, Peoria, Illinois & Hartley Angus, Chalk Mountain, Texas, own this intermediate champion Angus bull of the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. This bull is S C R Lone Star 411.

The senior Angus heifer calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was R & J Janette 2324. She is owned by R & J Ranch, Briggs, Texas.

R & J Ranch, Briggs, Texas, showed the junior Angus bull calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. This calf is R & J Reno 415.

The senior Angus heifer calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was R & J Janette 2324. She is owned by R & J Ranch, Briggs, Texas.

The senior Angus heifer calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was R & J Janette 2324. She is owned by R & J Ranch, Briggs, Texas.

## First Simbrah Futurity Show And Sale Set For Sept. 5 & 6

World Sales in Wharton, Texas has announced plans to hold the 1st World Simbrah Futurity and Sale. This event will be held on September 5 & 6, 1986 at the Louie Pearce Pavilion in College Station, Texas. The Hilton Inn of College Station will serve as headquarters for these activities.

The Futurity will be open to anyone having registered Simbrah cattle with the American Simmental Association. All animals must be registered in the Futurity name by August 1, 1986. The exhibitors must be cattle born between January 1, 1985 and February 28, 1986. There will be four different divisions for the Futurity: 1) 1/4 Simmental x 3/4 Brahman 2) 1/4 Simmental x 3/4 Brahman 3) 1/4 Simmental x 1/4 Brahman, and 4) 5/8 Simmental x 3/8 Brahman.

John Joyce, owner of World Sales, states, "Some of the better genetics of Simbrah cattle have been passed over simply because people have wanted to obtain the Fullblood Simbrah. We feel that by establishing classes for the 1/4 x 1/4, 1/2 x 1/2, and 3/4 x 1/4 animals, that enthusiasm might be generated back into the breed."

A good anecdote is worth a volume of biography.

some of the superior genetics." A \$600 nomination per head will be charged for this Futurity, provided the nomination meets the January 31st deadline. Nominations will be accepted after January 31st, but a penalty will be levied on these nominations. Final nominations are due by August 1, 1986. Premium monies in excess of \$76,000 are expected to be distributed in this Futurity. Exact amounts of premiums will be determined after the August 1st deadline. At the conclusion of the Futurity on September 5, 1986, a panel of judges will select twenty-five (25) animals to be sold in a TSA approved sale.

For further information contact World Sales, 1107 Cottondale Road, Wharton, Texas 77488 or phone 713/842-2085 or 409/657-2212.

## Fairview Farms Sets Simmental Dispersal For April 19

Lafayette, La. - Bob and Jewell Lowe, owners of Fairview Farms in Lafayette, La. have announced their decision to disperse their herd of Simmental cattle on April 19, 1986. Gail LeMaire, General Manager of Fairview Farms comments, "Our main objective has been to produce Polled Fullblood Simmental. Some of the breeds best Polled Fullblood females have been added."

A good anecdote is worth a volume of biography.

### Fairview Farms Sets Simmental Dispersal For April 19

(CONT. FROM PAGE 5B)

ed to our herd over the years, and their influence will be felt for years to come." This dispersal will include 120 lots of Fullblood and Purebred Simmental females and will feature 60 Polled Fullblood females. This featured offering could be the largest group of Polled Fullbloods to ever sell. Many of the females in this sale will be 3-in-1's, several bred to have Simbrah calves and all will be 8 years old and under. This dispersal will carry a special note of interest. All animals in this sale will be guaranteed as Bob and Jewell plan to continue in the Simbrah business. Bob Lowe states, "We want all our customers to be assured that although we do not intend for someone to purchase a problem cow or a cow at the end of her productive life. We are remaining in the cattle business and want the public to be confident in their purchases."

The sale site will be at the Fairview Farms Headquarters approximately three and one-half miles southwest of Abbeyville, La., off Highway 335. Sale headquarters will be the Travel Lodge of Abbeyville. Phone (818) 898-1453. Joe Mitham of Hubbard, Texas will serve as the auctioneer.

For more information contact Fairview Farms, 329 Westgate Road, Lafayette, La. 70506. Phone (818) 283-3171 or 893-7729 or World Sales, sale managers, 1107 Cottondale Road, Wharton, Tx. 77488. Phone (713) 842-2085 or (409) 667-2212.

### Sheep Inventory Declined By 5%, Goats up 10%

Washington, Jan. 31 (USDA) — All sheep and lamb inventory in the United States on Jan. 1, 1986 totaled 9.98 million head, according to the Crop Reporting

Board, down 5% from the 10.4 million head of a year earlier. The value of sheep and lambs on hand Jan. 1, 1986, totaled \$670 million up 5% from a year earlier. The average value per head was \$67.40, up \$5.30 from last year.

Stock sheep inventory dropped to a record low 8.44 million head on Jan. 1, 1986, down 5% from the previous year, were down 5% from the previous record low count of last year. Ewes one year old and older, at 6.78 million head, were down 6% from a year earlier but ewe lamb inventory of Jan. 1, 1986, reached 1.64 million head, a 3% increase.

Sheep and lambs on feed Jan. 1, 1986, for slaughter market in the 24 major feeding states totaled 1.49 million head, down 7% from the previous year estimate of 1.60 million head.

1985 lamb crop of 7.38 million head

### Beef Production Expected to Decrease in '86

San Antonio — The total cattle herd continues to shrink, and beef production is expected to decrease in 1986 and in subsequent years. Topper Thorpe,

general manager of Cattle-Fax said today. Speaking at the National Cattlemen's Assn. convention, Thorpe said, "Because of the smaller herd, beef production will continue to decrease during at least the next few years. As a result, average prices for fed cattle and, in turn, for feeder cattle should improve. However, the actual level of any improvement will be dictated by the demand for beef. And demand will be affected by consumer incomes, consumer attitudes, competing meat supplies and other factors."

Thorpe and the staff of Cattle-Fax market researchers and analysts described the industry situation and outlook in a panel discussion which was part of the NCA convention's annual outlook seminar. Cattle-Fax is a market information service associated with NCA.

The nation's cattle herd on Jan. 1, 1986, was estimated by Cattle-Fax at 106 million head, down 4% from a year earlier and at the lowest level since 1983. Numbers of cattle on feed off approximately 8% from a year earlier, and feeder cattle numbers down an estimated 8%. The category to show an increase was cattle.

(CONT. ON PAGE 7B)

dropped 5% from the 1984 lamb crop. Breeding ewes one year old and older on Jan. 1, 1986, were down 8% from the previous year. The 1986 lambing rate was 102 lambs per 100 ewes one year old and older, compared with 99 in 1984 and 98 in 1985.

Goat numbers in Texas totaled 1.70 million on Jan. 1, 1986 up 10% from a year earlier. Total value of \$68.2 million was 9% below last year. Average value per head declined \$5.20 to \$40.10.

With adverse economics in the industry, liquidation of the beef cow herd will continue in 1986, Thorpe said. However, liquidation is not likely to be great enough to maintain beef supplies at recent levels, and total beef production this year may decrease by about 1% from 1985. Poultry output is expected to rise by at least 5%, while pork production will be essentially unchanged.

Beef production in the first year may approach the previous year's level.

### Cole's Diamond C Simmental Ranch Stock Dividend II Sale

Cole's Diamond C Ranch of Athens, Texas, has announced plans for their Second Annual Stock Dividend Sale to be held Sept. 8, 1986, the ranch, 10 miles south of Athens, Texas on Highway 19.

Cole's Diamond C Ranch program is breeding some of the best in fullblood Simmental, using the top A.I. sires of the industry. Roy Schwake, General Manager, has been very selective in choosing the females for the cow herd and very critical on the donors selected for the Diamond Lady donor programs. Their donors have been top producers, with their progeny now yielding in several top Simmental and Simbrah herds across the United States.

Cole's Diamond C also produce many top fullblood Simmental bulls each year, many of them being top herd sire prospects and range bulls.

Mr. and Mrs. Charles Cole and Roy and Becky Schwake would like to take this opportunity to give you an open invitation to visit the ranch any time to view the cow herd and also attend the Stock Dividend II Sale September 8, 1986 and the pressale party September 5, at the ranch.

### Beef Production Expected to Decrease in '86

(CONT. FROM PAGE 6B)

partly because of large feedlot placements last fall. Later, production should drop off. The beef output estimates are based on assumptions that the herd liquidation rate will not show a further increase, that fed cattle will be sold in an orderly way, and that average slaughter weights will decrease from the abnormally high levels of 1985.

"In the current situation in the industry, there are changes, and it is that cattlemen constantly monitor the market and adjust as needed. The potential for change was demonstrated in 1985, when assumed reductions in beef production and a slowing of liquidation did not materialize."

It now appears that per capita beef supplies in 1986 will average 74 lbs., retail weight. This compares with 78.8 lbs. in 1985 and similar levels during the past several years. Average per capita supplies of all red meat and poultry totaled 213 lbs. in 1985 — a record high. The average should decrease by about 4 lbs. in 1986.

During the next few years, the per capita beef supply likely will drop to less than 70 lbs., the smallest average since 1983. Much depends on when the industry becomes profitable enough for herd liquidation to end and for rebuilding of breeding herds to begin. If liquidation were suddenly to end, there would be an immediate sharp reduction of beef output. As it is now, larger than average slaughter of cattle in breeding herds is contributing a significant amount to total beef supplies. Also, heavier average slaughter weights on fed cattle have kept beef output from decreasing, in spite of declining cattle slaughter.

Feeder cattle as well as fed cattle prices should show some improvement in the next few years. However, much depends on grain prices and government programs as well as fed cattle prices. Currently, because of limited free stocks, feed grain prices are higher than previously expected.

Because of financial problems among producers, an uncertain outlook and credit limitations, it is not likely that there will be any herd expansion in the near future. The calf crop has been increasing in size, and that trend inevitably will continue until profitability returns to most cow-calf operations.

Commenting on the current situation, Thorpe observed, "The feeding industry now is very current in its marketing, and it's critical that feedlots remain current. Recollections last year, when the industry became 'urgent' and lost bargaining position, should encourage the industry to remain current now."

"Our records show that these Simbrah-cross steers performed in the top 10% of all cattle fed this year. We'd like to have more just like them."

Pat Halverson  
Cattle Superintendent  
Caprock Industries, Gruver, Texas

Records on 207 head of Simbrah-sired steers fed at the Caprock Industries, Gruver, Texas feedyard show a list of impressive statistics. The steers indexed at 111% (standard is 100%) in overall feeding performance, which was computed against records going back ten years. At the end of a 142 day feeding period the Simbrah-cross steers gained 3.85 lbs./day, had a conversion ratio of 6.1/1 and graded 75% choice with an average yield grade of 2.6. Put Simbrah bulls to work in your breeding program. They'll perform for you all the way to the bank.

Maine-Anjou News From  
Throughout North America

## Maine-Anjou Events Scheduled For Houston Stock Show

Houston, Texas - The Texas Maine-Anjou Association will sponsor a Maine-Anjou Sale at the Houston Livestock Show and Rodeo. The Sale will be held in the Super Sale Salon, Wednesday, February 19, 1986. Sale time is 10:00 a.m.

The Southern Classic Maine-Anjou Show is scheduled for 8:00 a.m., Tuesday, February 18, 1986 in the Cattle Arena.

The Maine-Anjou Market Steer Show will be held beginning at 7:00 a.m., Thursday, February 27, 1986.

The Maine-Anjou Junior Breeding Beef Heifer Show will begin at 10:00 a.m., Sunday, March 2, 1986.

Entry forms and premium lists for the Houston Show are available from the Houston Livestock Show and Rodeo, Box 20070, Houston, Texas 77225.

## Additional Provisions For Grain Programs Are Announced

Washington, Jan. 20 (USDA)—USDA announces additional provisions for 1986 wheat and feed grain programs.

Sign-up for the 1986 wheat and feed-grain programs will be held March 8 thru April 1.

Producers may request 100% of their land diversion payments and 40% of their projected deficiency payments at sign-up.

Payment rates for the 20% yield land diversion for wheat and feed-grains are:

## Maine Events

Feb. 19 - Maine-Anjou Sale, Houston Stock Show, 10:00 a.m.  
April 12 - Nor-Tex Farms Annual Sale, New Braunfels, TX  
April 28 - G&P Production Sale, San Saba, TX

\$0.57 for barley, \$0.73 for corn, \$0.38 for oats, \$0.66 for sorghum, and \$1.10 for wheat. (All rates per bushel).

Payment rate for additional land diversion option for winter wheat is \$2.00 per bushel.

Estimated per bushel deficiency payment rates are: barley \$0.95, corn \$1.08, oats \$0.45, sorghum \$0.98, and wheat \$1.83.

75% of the advance deficiency will be paid at sign-up, the remaining will be paid as payment-in-kind beginning May 1. Producers will have from May 1 thru Sept. 30 to request the PIK portion of their advance deficiency and/or diversion payments.

This is being called "Generic PIK." These PIK certificates will be issued in monetary amounts due the producers by ASCS. These certificates are not commodity specific, redeemable for any regular, special, or farmer owned reserve loan commodity. Producers holding commodities pledged as loan collateral must redeem that collateral to satisfy the PIK. The quantity of the loan that must be redeemed will be determined by CCC on the day the certificates are presented for redemption. Producers who do not hold a loan or whose loans are smaller than their PIK entitlements may sell their certificates.

Rice national average loan value will be \$7.20 per cwt., and the rice target will be

# BRAFORD NEWS

## IBA Activities

March 7 - Dinner meeting of the Central Braford Breeders Association (CBBA) at the Holiday Inn in Henderson, TX.

March 8 - CBBA Consignment Sale at Rusk County Agriculture Center, Henderson, Texas.

May - Field Day in Missouri - CBBA.

June - Field Day in Florida (Sponsored by the Florida Braford Association).

September - Field Day in Louisiana - CBBA.

October 8 - Six R Ranch Production Sale in Nashville, Arkansas.

November 12 - Adams Ranch Sale in Fort Pierce, Florida.

Fall Sales - Alabama and Florida. Exact dates and locations will be published as events are scheduled.

## Multiple Generation Certificate

The new multiple generation pedigree certificate will be in use by February 1, 1986.

Applications for registry should include multiple generation information when available.

If both parents are registered with the IBA, the one generation can be determined from IBA records.

Additional generations must be supplied by the breeder on a separate document, which is the case of the F-1's.

## IBA Members:

When corresponding with the IBA office, please remember to include your IBA Number. Your IBA membership

## Futures Insight

Week Ending Jan. 30

The futures markets are as wild as a March Hare! Every market on every exchange can be counted on to give traders a thrill of one kind or another. Volatility and spectacular price moves are commonplace. And it appears that such an atmosphere is here to stay.

The stock market, metals, currencies, financials, the petroleum complex and the livestock complex are where most of the volatility is found. In any of these markets, on any given day, the price swings are breathtaking. A "quiet" day is an unusual day.

Traders that are fortunate to "catch" one of these markets just right are happy as can be. But those traders who find themselves "out of step" with the market soon find out that the results can be devastating.

This week I'd like to focus on the grain markets. It's not that I've purposely ignored the grains. But there has been so much activity in the surrounding markets that I haven't had ample space to discuss what's going on in the grain pits.

To the subscribers of my market letter, I put forth more ideas, information and suggestions that I do in this newspaper column. So, if you want more information about the markets, and you want it promptly, subscribing to my service may truly meet your needs.

Watching the grain markets over the past month or so has been frustrating. There has been very little activity. Price ranges have been narrow and interest in the complex has been minimal. The "action" has been in the surrounding markets.

Even though the grain markets have been relatively quiet, there is, most certainly, a "bull" case to be discussed that could thrust prices higher than today's settlements. For example, export business for U.S. grains remains brisk, thanks to a falling dollar. This week, the dollar fell to a 7 year low in Japan. The

Central U.S. carlot pork report FOB Omaha basin (includes the major production areas in the Midwest) as of 3:30 P.M. Compared to Friday's 4:00 P.M. report: fresh pork loin 14-15 lbs. generally steady; picnic and Boston generally steady, 20-25 lbs. \$1.00 lower; Sals. bellies 14-16 lbs. \$5.50 to \$2.00 lower. Trade slow, demand light and offerings moderate.

U.S. No. 2 176 lb. pork carcasses cutout value declined \$3.18 to \$59.90 per Cwt. Sales reported on 18 loads of fresh pork cuts and 0 loads of trimmings and boneless processing pork.

Asked about the first day of school, a kindergarten offered his considered judgment: "I learn a lot of stuff there, but I sure cuts into my day."

## Mountain States Video Cattle Auction, Feb. 10

## South Texas Polled Hereford Sale At San Antonio, Feb. 15

San Antonio, Tx. - The 26th Annual South Texas Polled Hereford Association Annual Sale will be held Saturday, February 16, 1986. Sale time is 2:00 p.m. at the San Antonio Livestock Exposition Sales Arena in San Antonio, Texas.

Selling will be a premier offering of bulls and females from premier breeders across the Lone Star State. All cattle will have been inspected by the sale committee for assurance of quality.

Auctioneer will be James Birdwell. For information contact the Texas Polled Hereford Association, Ray Mahan, P.O. Box 70, Rio Vista, Texas 76903, 817/873-2525.

## Southwest Select Polled Hereford Sale Avg. \$1,821

A real nice crowd was on hand to attend the Southwest Select Polled Hereford Sale held during the Southwestern Exposition and Fair Stock Show on Saturday, January 26, 1986 in Fort Worth, Texas. Three and three-quarter bulls grossed \$11,950 to average \$3,189 and 7 females grossed \$7,625 to average \$1,089 for a total of 104 lots grossing \$19,575 to average \$1,821.

High selling lot was a consignment of Pharris Farms, Inc. of Hillboro, Texas. PHF Achiever 417, a February 1984 son of Hotline, sold to Gaylon May of Arkansas for \$2,800.

One-half interest and one-half possession in JBS JLC Hickory's U81 S261, a September 1984 son of JBS Enforced Stick, sold for \$2,250 going to Roy Grenvelge of Llano, Texas for \$2,250. Flying A Ranch of Rosser paid \$2,150 to own HR Trademark 1277 1087, a February 1985 son of JLF Brigadier 1277 consigned by Harris Ranch of Hillboro.

The sale was managed by the Texas Polled Hereford Association and the auctioneers were Eddie Sims and Jim Birdwell.

## Polled Hereford Sires Earn Trait Status

Leading Polled Hereford sires have been recognized as 1986 Trait Leaders by the American Polled Hereford Association. The bulls achieved their Trait Leader status on the merit of the outstanding performance of their progeny in single traits as well as total performance. The bulls were the leaders among the 802 proven sires listed in the 1986 Polled Hereford Sire Summary.

Fifteen Polled Herefords were

recognized for overall excellence in total performance division, carcass weight, weaning weight, yearling weight and maternal performance. The bulls were BGR Improver, BTJR Quade 604M, Declaration 402K, FHR Pioneer S20, GK Beau Victor 194H, G. Klunaber Justin 7115J, PRL 590K Rodeo 847N, Rodeoformant, RHF Dakota 9314 2188, RHF Victor 212 707, RHF Victor 266 984, Vindicator and Woodcrest Destiny.

The number one 1986 Trait Leader yearling weight is BT PRL Driver 802. This is the third consecutive year he has held this distinction. He earned the title with an estimated progeny difference (EPD) for yearling weight of +31.1.

Leading the lineup of weaning weight Trait Leaders was TOP BT 16: Awesome 028. The outstanding sire of his sons and daughters earned his weaning weight EPD of +60.5.

In the birth weight category, CIA Numbode 11 hung on to his number one ranking for the second straight year. His birth weight EPD was -14.1. Graystone Granite climbed into the number one slot in the maternal performance division with a maternal EPD of +33.8 lb. This figure represents the expected increase, above the average, a weaning weight for the first calf produced by each of Granite's daughters.

This is the fifth annual edition of the Polled Hereford Sire Summary published by the APHA. The data give Polled Hereford breeders and commercial cow-calf producers a unique collection of information to guide them in selecting bulls for use in their own individual breeding programs. Performance characteristics which the Sire Summary's will be gathered by breeders throughout the United States and analyzed in APHA data center.

## South Texas Feedlot

San Antonio, Jan. 30 (AP) - Slaughter steers not well established. Slaughter heifers steady early, but lower late. Trade and demand low. Many feedlots not selling as many steers as necessary, therefore they are selling over-cattle. Show lists will steadily increase in the upcoming weeks. Most buyers prefer a moderate slaughter weight, 1,200 to 1,400 lbs. Sales volume on slaughter steers most on the rail, 3,500 slaughter heifers. Steers with end choice 1-2, 1000 to 57.50-58.00. Heifers: good with choice 1-2, 700-950 lbs. 56.00-57.50, 58.00-58.50 late. Few loads 600-800 lbs. 57 going out of state. Good 1-2, 800 to 55.00.

All the beautiful sentiments in the world weigh less than a single love letter.

## Blonde d'Aquitaine Double Header Is Scheduled

The first of the Texas Blonde d'Aquitaine Foundation's Spring Classic Doubleheader will take place at the Houston Livestock Show and Rodeo at 3:00 p.m. on Wednesday, February 19. It will feature the First Houston Open Blonde d'Aquitaine Breeding Show. A total of 63 fullblood, domestic purebred and 1/4 percentage blonde breeding stock have been entered. All entries are registered in the United States.

Breeders from Texas, New Mexico, Utah and Oklahoma are looking forward to competing for the \$4,000 prize money to be awarded. Judging the show is Hollis Chapman from Louisiana State University.

Thirty females have been entered in six classes for heifers 7 months to 2 years of age. Thirty-three bulls are entered in six classes ranging from 6 months to 3 years. In addition, there will be three special classes - Pair of Females, Pair of Bulls, and Breeder's Herd.

The second half of the doubleheader will be at the Victoria Livestock Show on Friday, March 7, 1986. On that day at the Community Center in Victoria, Texas the TBAP will host an Open Breeding Show at 9:00 a.m. and the Spring Classic Sale at 7:00 p.m.

For additional information on the Spring Classic Doubleheader, watch for our advertisements and articles in the Weekly Livestock Reporter, Texas Farm and Ranch News, Cattleman, Independent Cattleman, and Gulf Coast Cattleman.

## Blonde Breeders United, Meeting At Houston Set

November 9, 1985 will long be remembered as a significant turning point for the Blonde d'Aquitaine breed in the United States. On that date, Blonde d'Aquitaine breeders throughout the United States were united under the banner of the American Blonde d'Aquitaine Association.

After years of discussion and negotiation and months of detailed preparation, members of the American Blonde d'Aquitaine Association and the National Blonde d'Aquitaine Foundation crowded into the conference room of a Dallas hotel to vote for merger of the two breeder organizations. In both organizations, the vote was lopsided in favor of the merger. Following the vote, members could be seen congratulating each other in the halls and talking enthusiastically of plans for the breed and for the new united voice of the Blonde d'Aquitaine breed.

Harry Watkins, a prominent Blonde breeder from Uvalde, Texas, and President of the new American Blonde d'Aquitaine Association, said "This is a great day for Blonde breeders everywhere. It is an exciting time to be involved with Blonde cattle. There has never been a time in history that the needs of the breed industry have been so clearly focused on traits where Blonde cattle excel: lean meat, high cutability and unsurpassed efficiency. Now, old and new breeders alike can move forward with plans to exploit and profit from these traits with confidence that there is a united American Blonde d'Aquitaine Association behind them. This removes the greatest remaining uncertainty in raising Blondes."

Work will begin, to consolidate the registration records of the ABAA and the NBAP, as soon as the merger papers are approved by state officials according to Donnie Halterman of Forum, Oklahoma, Secretary of the American Blonde d'Aquitaine Association. "The new computer facilities which were recently put into service by the NBAP will simplify this task and result in both better records and better service to our breeders," Halterman said.

Throughout the two days of meetings in Dallas, Andy Andersen could be seen moving through the crowd promoting the Open Blonde d'Aquitaine Breeding Stock show that will be held on Wednesday, February 19, 1986, at the Houston Livestock Show and Rodeo. Andersen, who is a Director of the

## Houston Stock Show Sets Sesquicentennial Celebration Feb. 18

Houston - The Houston Livestock Show and Rodeo has announced a major change in 1986 Show scheduling to accommodate a spectacular birthday party for the state of Texas and the city of Houston.

Show President Joseph T. Ainsworth, M.D. disclosed plans for a special Sesquicentennial celebration topped off with a full length concert by Willie Nelson to be held Tuesday, Feb. 18, 1986 at 7:45 p.m.

The extravaganza, entitled "A Salute to Texas and Houston - 150 Years of Greatness," opens the 1986 Houston rodeo and will include an exciting blend of marching bands, orchestras, choirs, costumed participants, special effects and pyrotechnics. Based on the size and complexity of this event, no rodeo performance will be held on this date.

Renowned organizer and consultant Charles R. Corson has been retained by the Show to direct the spectacular. Corson has had extensive experience in the entertainment industry, serving as casting director for Walt Disney Studios and vice president and general manager of production services for Radio City Music Hall. He was also actively involved in the opening and closing ceremonies of the 1984 Summer Olympics in Los Angeles.

For more information on Blonde cattle or membership in the new breeders organization, you may contact: American Blonde d'Aquitaine Association, c/o Harry Watkins, President, 1042 Garner Field Road, Uvalde, Texas 78801, Phone: (512) 278-3213 Office, (512) 278-8150 Home.

To further celebrate the Sesquicentennial, Ainsworth announced the presentation of a life size bronze statue entitled "Dreams and Memories" to the citizens of Houston and Harris County.

This announcement was addressed to Mayor Kathy Whitmire and Harris County Judge Jon Lindsay.

"This sculpture depicts the idea that our organization has a solid foundation with a firm commitment to the future. We've seen this same idea reflected in both Houston and Harris County and wanted to present the statue in this year of celebration," Ainsworth said.

The Show will dedicate the bronze statue, sculpted by Jim Reno of Kerrville, Texas, to Houston and Harris County in early February of next year, when it will be permanently placed between the Astrodome and Astrodomes complexes.

The 1986 Houston Livestock Show and Rodeo opens with horse show competition Wednesday, Feb. 12, with rodeo events beginning Wednesday, Feb. 18. All events conclude March 2.

If you think practice makes perfect, the chances are that you never had a young son taking music lessons.

### National Brahmousin Sale at Houston Set for February 18

Houston, TX — The 1986 National Brahmousin Sale will be a showcase for the most outstanding set of Brahmousin cattle ever assembled for public appraisal. Forty-two lots from nineteen consignors will sell in Houston at the Shamrock Hilton, 2:00 p.m. Tuesday, February 18th.

This will be the third national sale and according to sale chairman Carl Detering, Jr. the quality and selection are the highest to date. Says Detering, "We have tried to put together a very useful set of breeding age cattle featuring the finest genetics available in the breed. We have encouraged our consignors to dig deep into their herds and bring their best to Houston. We are very pleased with the offering and anticipate broad acceptance of this outstanding set of young useful cattle."

The goal of the National sale has traditionally been to offer frontline Brahmousin genetics to seedstock producers and to provide a showcase for the top animals in the breed. This year's sale will be no exception. Percentage and purebred heifers, many bred to the most popular bulls, will be a highlight of the sale. Additionally, a strong bull offering will provide bull buyers the opportunity to add proven genetics to their Brahmousin programs.

With the broad and strong acceptance being experienced by the Brahmousin breed it is important to remember that the quality of genetics on which the breed is based will provide the foundation of long term success for the breed. Cattleman can feel secure that the cattle in this third National Sale will be stout, mainstream cattle that will shape the future of the Brahmousin breed.

For more information or catalogues contact Carl Detering, Jr., 713/643-1986 or American Cattle Services 405/335-3006.

The writer does the most who gives the reader the most knowledge and takes from him the least time.

### Texas Red Angus Spring Sale Set For March 15

Fort Worth, TX — The Texas Red Angus Annual Spring Sale will be held Saturday, March 15, 1986. Sale time is 1:00 p.m. at the Will Rogers Coliseum, Barn No. 6 at Fort Worth, Texas. Selling will be Red Angus Bulls and herd bull prospects, three-in-one packages, open cows with calves, bred

### National Western Red Angus Show

A good crowd was on hand to attend the Red Angus Show held in conjunction with the National Western Stock Show in Denver, Colorado on January 8-19. Grand champion Red Angus bull was Leachman Rimrock 700 0388, shown by Leachman Cattle Company of Billings, Montana and Neo Sho Farm of Southwest City, Missouri. Reserve grand champion bull was RCN Sandhill CHF 482, owned by James Baldridge and William Callahan of North Platte, Nebraska.

Grand champion female was Leachman Red Girl 4209, shown by Leachman Cattle Company. Reserve grand champion heifer was Leachman Absaroka 8038, also shown by Leachman Cattle Company.

Leachman Cattle Company won the senior get of sire, the premier breeders class and the premier exhibitors award. The junior get of sire award went to Powell Red Angus of Howard, South Dakota, and the produce of dam award went to Cache Creek Red Angus of Joliet, Montana.

Results of the other champions named are: champion heifer calf - Callahan Firefly 618, shown by William Callahan of North Platte, Nebraska; reserve heifer calf - Leachman Cheliffine 6806, shown by Leachman Cattle Company; champion junior Red Angus heifer - Leachman Absaroka 8038, shown by Leachman Cattle Company; reserve champion junior heifer - Leachman Absaroka 8038, shown by Leachman Cattle Company.

# **Limousin, Brahousin Activities At Houston**

Crowley, TX - Houston '86 - "Simply Sensational" is the theme for the upcoming Limousin and Brahousin activities held February 17-19, during the Houston Livestock Show & Rodeo in Houston, Texas. A schedule of meetings, sales, special judging competition, banquet and queen contest will greet breeders and families from across the nation.

The Shamrock Hilton Hotel, located at 6900 South Main street has been designated as the Texas Limousin Association headquarters.

The American Brahousin Council annual membership meeting will kick-off the activities at 3:00 p.m., Monday, February 17, 1986.

Everyone is encouraged to attend the Texas Limousin Association annual membership meeting at 9:00 a.m., on Tuesday, February 18, followed by the TLA Board of Directors meeting. A record keeping workshop conducted by Dr. Wayne Vanderwert, NALF, Denver, Colorado, is scheduled for 11:00

a.m. The workshop will be an ideal opportunity for new or established breeders to stay abreast of NALF program procedures.

Following at 1:00 p.m. that evening will be the Brahousin pre-sale party and National Brahousin Sale set for 2:00 p.m. in the parking lot of the Shamrock Hilton Hotel.

One highlight of the TLA activities is the annual banquet and queen contest, which is planned for Tuesday evening. A group of young ladies will be competing for the title of 1986 TLA Queen. The winner will receive an array of prizes and cash from the association and many of its breeders.

The Astrohall Arena will be the site of the open Limousin show, with over 150 entries paraded before Judge J. J. "Bud" Prosser, Mend, Colorado. The Limousin show will begin at 8:00 a.m., Wednesday, February 19. The show will be followed immediately by the "Parade of Champions" sale cattle which gives everyone a front seat view of the sale animals. A pre-sale party will take place at 2:00 p.m. in the Limousin alley and will be followed by the Houston '86 Sale,

## **National Western Red Angus Show**

(CONT. FROM PAGE 12B)

saroka 8006, shown by Leachman Cattle Company.

The senior heifer was Leachman Red Girl 4200, with the reserve champion senior heifer being Leachman Ab-saroka 8087, both shown by Leachman Cattle Company. Champion bull calf was Red Quanta Redman 61T, shown by Quanta Cattle Company of Alberta, Canada. Reserve champion bull calf was Red Top Class of '86, shown by Leachman Cattle Company and Red Top Angus Ranch of Alberta, Canada.

Junior Red Angus bull champion was Leachman Rimrock 700 0889, shown by Leachman Cattle Company and Neosho Farms of Southwest City, Missouri. Reserve champion was RCN Sandhill CHF 42, shown by James Baldrige and featuring a top quality group of 50 lots of Limousin cattle.

For additional information on the Houston '86 activities, contact the Texas Limousin Association, P.O. Box 239, Crowley, TX 76036 or call 817/297-2462.

## **Growth In Services Creates Medina Valley Genetics**

The new year has brought us a new name Medina Valley A.I. Lab, Inc. is now Medina Valley Genetics, a change in name necessitated by the expansion of our services beyond the artificial insemination field.

Medina Valley A.I. Lab, Inc. was founded by Dr. M. W. Sharp and David Elliot in the pioneer days of artificial insemination. Both custom semen processing and A.I. service were offered, but as our technical capacity advanced under the leadership of present owner Ken Perry, and with the corresponding need of our customers for new services, we have expanded our operation to its present position as the most complete bovine reproduction center in the Southwest.

Medina Valley Genetics offers a complete line of services, including semen processing, semen sales, embryo transfer (including semen and embryo sales), custom A.I. breeding programs, service routes for our semen customers, A.I. training schools and herd management consultation.

While we are recognized throughout the United States as a leading A.I. collection center, we felt that the time was right to include our other services in a company name that would reflect our commitment to offering a total package of services to the cattleman.

Medina Valley Genetics, Inc. will remain the same group of dedicated people offering a wide variety of quality services. Visitors are always welcome at Medina Valley Genetics. Come by and check out the way we do business. M.V.G. has the Bulls, the Personnel, and the Service fit your breeding program.

We have a good selection of the finest genetics available from most breeds. Whether you are in the market for semen, embryos, or just quality service, you are sure to find it at Medina Valley Genetics.

This is our Bull Collection Service. Come by and see the best Beefmaster, Brahman, Brangus, Santa Gertrudis, Simbrah and others being collected. We have outstanding proven herd bulls and herd bull prospects.

William Callahan of North Platte, Nebraska.

In the pens of bulls - champion pen of three bulls went to Panhandle Cattle Company of Lakeside, Nebraska, with the reserve champion pen going to Anthony Detoy of Hill City, South Dakota.

**Feeder Cattle Strong Again**

St. Joseph, Jan. 31 (USD) - National Feeder Cattle and Calf market this week 171,200, last week 255,000, year ago 215,700. Despite lower tender rates, prices continued good with feeder feeders. Feeder steers and calves, to 3.00 higher this week, thereby easing South Dakota steady to 1.00 down. Mild January weather and USDA report of reduced numbers of cattle on feed factors improving demand being part of Midwest, West and South West in need of moisture.

**Arizona National Brangus Show Among Toughest**

Sunny skies and top-notch cattle were prevalent at the 1986 Arizona National Brangus Show in Phoenix as Judge Jarod Callahan, Stillwater, OK, presided over the 77 head of Brangus cattle brought before him.

Wright's Brangus, Paonia, CO proudly displayed their late junior yearling entry, 7-7 Ma N22 Tiny 428 to grand champion and junior champion female honors. A March 5, 1984 daughter of Brink's Tiny 302N22, she is out of the Miss Diamond A 101 cow. Taking the reserve grand champion trophy home to Texas was National Pride Cattle Co., Hurst, with their March 1984 daughter of Grandpa of Brink's Kallita.

Claiming heifer-calf champion recognition was Miss Cawley 519, sired by

## **FOUR GREAT FEMALES ONE FLUSH FROM EACH!**

- ★ Lili BonaParte
- ★ Hampton Piaff
- ★ Oakley Princess
- ★ Goldies Victoria

Study the pedigrees from each of these powerful females. One flush from each will sell with a guarantee of five (5) pregnancies from each flush. Terms are one-half down at the time of purchase, with the balance pro-rated with the delivery of each pregnancy recipient. Purchaser may select any herd sire from the Pinewood Farms herd sire battery or the bull of his choice. A tremendous opportunity for genetic advancement.

## **E.T.'s From Jillian & Heroine**

Two pregnancies from each of these great females will sell. Both have proven track records in embryo transplant and with such sires as Easy Jet and Gendarme, you can't miss!

## **Pick Of The Litter!**

Pinewood Farms is offering an innovative approach in the opportunity to select from the entire heifer calf crop from the 747 X Jamila matings. Not often does one have the chance to "pick of the litter!"

**TEXAS SHEEP, Lamb Inventory**  
Austin... Texas sheep and  
ducks are beginning 1986  
inventory of 1.81 million head  
last year's record low level  
the first time in four years.  
Texas sheep and lamb total  
from the previous year.

"Wool and lamb prices  
favorable during 1985, and  
ducks were not drastically  
herds as has been the trend  
years", state statistics  
Findley reported.

According to the annual  
released by the Texas  
Livestock Reporting Service,  
inventory of stock sheep, at 1.81 million  
was 1 percent below last year's  
owes one year and older down  
to 1.28 million. The number of  
lamb increased 44 percent from  
year to 230,000 head on Jan-  
uary 1.

The 1986 lamb crop was  
million head, off 9 percent  
previous year. However, the  
of new crop lambs, those born  
September 30, increased 10  
from a year earlier to 180,000  
Findley added.

The Texas goat inventory  
1.70 million head on January  
crease of 10 percent from last  
the highest inventory since 1981.  
Angora goats up 10 percent  
million head, up 10 percent  
Spanish and other goats were  
cent to 270,000 head.

Good mohair prices were  
tive for Texas producers, re-  
ported. "In addition, many  
reported a good kid crop for  
1986."

2,427 pounds with a 2.20 weight-per-  
day-of-age and stood 60.25 inches at  
the hip.

Panhandle Feedlot  
Movement 61,400

Amarillo, Jan. 31 (F-S) - Slaughter  
steers fully 1.00 lower, heifers steady to  
.50 lower. This week and the past three,  
Panhandle feedlots have sold an average  
of eighty thousand head, nearly three  
hundred and twenty thousand cattle for  
the month of January. Many cattle in the  
feedlots are being sold with fewer days  
on feed, but the outstanding feeding con-  
ditions thus far this winter have kept  
average daily gain high and no signifi-  
cant loss in quality of cattle and only a  
small drop in slaughter weights.  
The average live weight of most cattle  
slaughtered at area packing plants last  
week was 1092 lbs. on 121,885 head and  
32% heifers. The previous week 1097 lbs.  
was the average on 123,998 head and  
38% heifers. A year ago 1063 lbs. was the  
average on 119,904 head and 30% heifers.  
Steers 46,100; Good and mostly choice  
2-3, 70-85% choice, 1035-1350 lbs.  
55.00-61.00, late 55.00-59.00, mixed good  
and choice 2-3 55.00-59.00, 55.00-59.00,  
late 58.00-59.00. Pen good, few choice 2-3
